

Table 1. First, Second, and Total Responses to the Ancestry Question by Detailed Ancestry Code: 2000

(Data based on sample. For information on confidentiality protection, sampling error, nonsampling error, and definitions, see www.census.gov/prod/cen2000/doc/sf3.pdf)

Note: The responses in this table were elicited by an open-ended question in Census 2000 that asked "What is your ancestry or ethnic origin?" Respondents could write in one or two ancestries.

Numbers are shown for every code with a total of at least 300.

Code	Ancestry	First Ancestry	Second Ancestry	Total
