A. GENERAL NORMS

A1. PLAYERS ELIGIBILITY

Nationality of Competitors

A1.1. All players in any WBSC official competition must be a national of the country or region of the National Federation that is entering him.

A1.2. All disputes relating to the determination of the country which a competitor may represent in a WBSC official competition or in qualifying tournaments for WBSC official competitions shall be resolved by the WBSC Executive Board.

A1.3. A competitor who is a national of two or more countries at the same time may represent either one of them, as he may elect. However, after having represented one of them (in a WBSC Baseball World Cup, WBSC U-23/21 Baseball World Cup, the U-18 Baseball World Cup, U-15 Baseball World Cup, U-12 Baseball World Cup, Continental or Regional Games or World or Regional Championships recognized by the WBSC), he may not represent another country or region unless he meets the conditions set forth in the following paragraph that apply to persons who have changed their nationality or acquired a new nationality. (Note: the World Baseball Classic and other non-official invitational tournaments are considered exceptions to this rule).

A1.4. A competitor who has represented one country in a Premier12, WBSC Baseball World Cup, Regional and Continental Championships (EG European Championships or Asian Championships), the U-23/21 Baseball World Cup, the U-18 Baseball World Cup, the U-15 Baseball World Cup and the U-12 Baseball World Cup and who has changed his nationality or acquired a new nationality shall not participate in any other official WBSC competition to represent his new country or region until three years have passed since the competitor last represented her/his former country. (Note: the World Baseball Classic and other non-official invitational tournaments are considered exceptions to this rule). This period may be reduced or even canceled with the agreement of the initial National Federation and the approval of the WBSC Executive Board.

A1.5. If an associated state, province or overseas department, a country or colony acquires independence, if a country becomes incorporated within another country by reason of a change of border, or if a new NOC is recognized by the IOC, a competitor may continue to represent the country or region to which he belongs or belonged. However, he may, if he prefers, choose to represent his country or be entered in the WBSC official competition by his new Federation or NOC if one exists. This particular choice may only be made once.

A1.6. In all cases not expressly addressed in this By-law, in particular in those cases in which a competitor would be in a position to represent a country other than that of which he is a national or have a choice as to the country or region which he intends to represent, the WBSC Executive Board may take all decisions of a general or individual nature, and, in particular, issue specific

requirements relating to nationality, citizenship, domicile or residence of the competitors, including the duration of any waiting period.

A1.7. Should an eligibility violation occur, and a player be proven to be ineligible prior to any games being played, the player is automatically removed from his team roster and will not be allowed to participate in any game of the competition. The Technical Commission of the Competition will notify the WBSC Executive Board for further action.

A1.8. Should a violation be discovered during the competition and after the athlete has played in one or more games, the player is automatically removed from the roster, and any game in which he actually played shall be considered a forfeited game for his team. The team shall continue to play in the competition, and the infraction shall be reported by the Technical Commission of the Competition to the WBSC Executive Board for further action.

A1.9. Should a violation of eligibility be discovered after the competition, the case can be submitted by the WBSC Technical Commission, or by the National Federation, directly to the WBSC Executive Board for further action. In any case the WBSC Executive Board may act officially should a violation of eligibility be discovered after the competition.

A1.10. A player, removed for any eligibility violation, cannot be replaced by another player. A team can be penalized for eligibility violation only if a player has actually played in a game.

A1.11. In any case, it is the obligation of the Delegation or the National Federation, officially protesting the ineligibility of a player, to produce valid proof, the documentation and all the information regarding the violation in writing at the moment when filing the protest.

A1.12. Refer to the Tournament Regulations Appendix I to see specific tournament age eligibility.

Provisional Members

A.1.13. A National Team from a Provisional Member may participate in a WBSC official competition at the Regional or Continental level ("Regional Competition") but not in any event as per the WBSC Event calendar (i.e. – Olympic Games, Premier12, WBC, World Cups, etc.)

- The provisions in A1. to A1.12 apply to a Provisional Member player, club team and national team in a Regional Competition.

WBSC will review the request and communicate if the request could be granted. Without WBSC's approval in writing, no changes are permitted.

A3.7 Once the athletes' verification at Technical Meeting is over, no changes to the FTR will be permitted for the duration of the competition. Copies of the FTR shall be provided to each Delegation Leader, Technical Director, Technical Commissioners, Scorers, Anti-Doping Commissioner and Media before the start of the competition.

A4. PRE-TOURNAMENT TECHNICAL/ORGANISATIONAL MEETING

A4.1. On the day before the start of the competition, an information meeting will be held, to discuss all the technical and organisational issues concerning the competition. Place, date and time of the meeting will be made available to the teams as soon as possible.

A4.2. The Pre-Tournament Technical/Organisational Meeting will be chaired by the Tournament Director accompanied by the Technical Director, the Director of Umpires (or Assistant assigned for the competition), the Scoring Director (or Assistant), the Anti-Doping Commissioner, a representative of the Local Organising Committee (LOC) and a representative of the WBSC Events Department. Relevant technical matters of the competition will be discussed in this meeting.

Note: All materials handed out at this meeting should be printed in English and Spanish at a minimum.

A5. DOPING CONTROL

A5.1. Doping Control will be conducted in accordance with the WBSC Anti-Doping Rules, which are in compliance with the World Anti-Doping Code.

A5.2. WBSC will appoint a WBSC Anti-Doping Commissioner to oversee the anti-doping program. The WBSC Anti-Doping Commissioner shall establish the test distribution in consultation with the head Doping Control Officer (DCO).

A5.3. For games in which doping controls will be conducted, the following procedure shall be followed:

- At the end of the first half of the fourth innings the head DCO, the WBSC Anti-Doping Commissioner and one of the Technical Commissioners in charge of the game, with a copy of the starting Line-ups, shall meet in the Doping Control Station. The head DCO will have a copy of the FTR for the selection process.
- The Team Manager has to confirm to the TC that all players are at the game and if one is missing (for injury, sickness, etc...) why and where the player is (for Doping test reason).
- The head DCO will provide a random system. In the case of no available system, player names or numbers will be written on pieces of paper and cut up.
- A random selection process will be conducted for each team. This will include selection of reserve players in the event the original selected player/s are seriously injured during the game.

- If one player from each team is being selected, all players will be included in the draw, and one reserve player selected. If two players from each team are being tested, the first selection will be from the Starting Line-up, the second from the full player roster. The reserve selections will be made from the full list.

- While a player may be subject to doping control on more than one occasion, the WBSC Anti-Doping Commissioner may ask for a redraw if the player has already been tested twice at the same tournament.

- The selections will be marked on the Starting Line-up, signed by the parties in attendance and given to the DCO.

- The names of the selected players shall not be communicated to the teams before the end of the game.

A5.4. Players must stay at the field for the duration of the game. The Technical Commissioner(s) assigned to the game and the Executive Director shall be informed immediately in case of a player needs to be absent from the field or tournament at any time.

A5.5. If a selected player gets seriously injured and needs to be immediately hospitalised, the reserve player selected from the same team shall be tested instead. In such a case, medical evidence on the serious status of the injury must be given to the WBSC Anti-Doping Commissioner. The injured player may still be selected for a doping control by WBSC once they have recovered. *For example:* a player is hurt before the doping procedure on a Monday and goes to the hospital. On Tuesday, the player is taken off the roster but is still in the country at the hotel or at the game. That player is still eligible to be tested just as the rest of the players on the initial FTR are eligible to be tested. In short, any player who is injured or removed from the roster is still subject to the same drug testing procedures as the rest of the team.

A5.6. Any players on the Final Team Roster (FTR) not present at the game may be selected by WBSC for a doping control whether still in the host city or not.

A5.7. The LOC is responsible for getting the Doping Control Station properly equipped and ready for use.

These rules shall be printed in both English, Spanish and the language of the host country and distributed to all Team Managers and Umpires and discussed thoroughly at the Pre-tournament Technical/Organisational Meeting. C5.2. The WBSC Tournament Department shall determine the site(s) of practice together with the LOC and Technical Commission.

Refer to Tournament Regulations Appendix I for exact time allotments at each WBSC Baseball World Cup.

C5.3. Note that while batting practice prior to the game is for a set number of minutes, it certainly can be less if a team desires. This does not, however, mean that the other team can hit for a longer period of time. Moreover, teams are not permitted to stretch, warm up, or be near the batting cage until BP for the other team is over. Teams should warm-up in an area outside the baseball field during this time. If no viable warm-up area exists (this will be the discretion of the Technical Commissioner), then teams are permitted to go to the far right or left field area during BP to warm-up during the other teams batting practice time. Should they do so, teams should provide someone to protect the players from getting hit baseballs during the batting practice time. This line-up is for information purposes only and whether the games are televised or not shall be duly communicated from the WBSC staff onsite in advance. This line-up shall include first and last names, uniform number, and field position of each player in the starting batting order and the pitcher. All other players on the approved roster (FTR) will be considered as possible substitutes for all the games and their first and last name, uniform number and field position must also be clearly included in the line-up. The official line-up will be given to the Home-plate Umpire at the meeting at home-plate immediately prior to the start of the game. A copy of the official line-up shall be given to the opposite Team Manager, the Scorer(s) and Technical Commissioner(s) in charge of the game. The preliminary line-up is an important document and should not be misused. If there are changes between the preliminary and starting lineup, it must be announced directly to the Technical Commissioner in charge of the game and to the opposing team. An injury or other extraordinary reason should be the only reason for changes in the preliminary lineup. Abuses in this regard will not be viewed lightly and are subject to fines from the Technical Director.

C6.2. Each team manager or delegated team official shall inform WBSC Media Department within one (1) hour after the conclusion of the previous day's game or games, the name of the starting pitcher for the next game. The change of such announcement shall not be permitted without valid reason and WBSC's approval must be obtained. Following WBSC's official announcement or two (2) hours after the conclusion of the game, whichever comes first, teams can communicate their next game's starting pitcher to press and social media.

C7. PLAYING RULES AND PACE OF PLAY

Official Baseball Rules

C7.1. All games will be played under the event year of the *Official Baseball Rules* and *Baseball Umpire Manual Procedures and Interpretations* unless noted in this section.

Designated Hitter

C7.2. The designated hitter (DH) is accepted.

The DH is a player designated to bat for the starting pitcher and all subsequent pitchers.

Basic principles:

- a) A hitter may be designated to bat for the starting pitcher and all subsequent pitchers in any game without otherwise affecting the status of the pitcher(s) in the game. A DH for the pitcher, if any, must be selected prior to the game and must be included in the starting lineup cards presented to the Technical Commissioners 90 minutes prior to game time. If a manager lists 10 players in the team's lineup card, but fails to indicate one as the DH, and an umpire or either manager (or designee of either manager who presents the team's lineup card) notices the error, the umpire-in-chief shall direct the manager who had made the omission to designate which of the nine players, other than the pitcher, will be the DH. It is important for the umpire-in-chief and representatives from both teams verify that the lineups presented at the pregame meeting are correct.
- b) The DH named in the starting lineup must come to bat at least one time, unless the opposing team changes pitchers or the DH becomes ill or injured before the player's spot in the lineup comes to bat.
- c) It is not mandatory that a team designate a hitter for the pitcher. If the starting pitcher is listed in the batting order, the pitcher automatically becomes the DH. In this case, the pitcher is to be considered as two players, both the pitcher and DH (P/DH) and can be substituted for as such
- d) Pinch-hitters for a DH may be used. Any substitute hitter for a DH becomes the DH. A replaced DH (including a P/DH who has been replaced as DH) shall not re-enter the game in any other capacity.
- e) The DH may be used on defense, continuing to bat in the same position in the batting order, but the pitcher must then bat in the place of the substituted defensive player, unless more than one substitution is made, and the head coach then must designate their spots in the batting order.
- f) A runner may be substituted for the DH and the runner assumes the role of DH. A DH may not pinch-run.
- g) A DH is "locked" into the batting order. No multiple substitutions may be made that will alter the batting order of the DH.
- h) Once the game pitcher is switched from the mound to a position on defense, such a move will terminate the DH role for that team for the remainder of that game.
- i) Once a pinch-hitter bats for any player in the batting order and then enters the game to pitch, such a move will terminate the DH role for that team for the remainder of the game.

- j) The game pitcher may pinch-hit or pinch-run only for the DH and become the P/DH.
- k) If a manager lists 10 players in his team's lineup card, but fails to indicate one as the DH and the opposing manager brings the failure to list a DH to the attention of the umpire in chief after the game starts, then:
 - 1) The listed player who has not assumed a position on defense is the DH, if the team has taken the field on defense, or
 - 2) If the team has not yet taken the field on defense, the manager of that team shall indicate which player should have been listed as the DH.
- l) Once a DH assumes a position on defense other than pitcher (i.e., becoming the P/DH), such move will terminate the DH role for that team for the remainder of that game.
- m) A substitute for the DH need not be announced until it is the DH's turn to bat.
- n) If a player on defense goes to the mound (i.e., replaces the pitcher), this move will terminate the DH's role for that team for the remainder of the game. The DH may assume the defensive player's position in the field.

Note 1: When the P/DH is replaced as the DH, the individual may remain in the game as a pitcher. However, the P/DH cannot afterward move to a defensive position and cannot return as the DH. Once a player leaves the offensive lineup they cannot return.

Note 2: If a game pitcher is switched from the mound to a defensive position, this will terminate the DH's role for the rest of the game. The pitcher just removed from the mound may bat in the DH's spot in the batting order; or if more than one defensive change is made, the pitcher (not a P/DH) may bat in place of any one of the substituted players (manager will designate the place in the batting order to the umpire). The player may return as a pitcher once unless the pitcher was removed as pitcher on a second trip during the same inning or after the third charged defensive conference involving a manager or coach.

Example: Home team relief pitcher Jones pitched the top of the ninth inning. He was not playing as a P/DH. For the top of the tenth inning, Jones moved to first base and relief pitcher Smith entered the game as the pitcher. Jones was placed in the eighth spot in the order where the first baseman Carter was hitting, and Smith was slotted into the third spot for the DH Anderson.

Note 3: At the time of a pitching change, the manager shall indicate to the plate umpire the playing status of the removed player. Once the manager has reached the dugout, the manager may not move the replaced pitcher (or P/DH) to a defensive position or have the replaced pitcher remain as DH.

Protective Equipment

C7.3. Single or Double ear-flap helmet is mandatory for the hitter, base-runners and it is also recommended that base coaches wear the skull caps. For catchers including warm-up and bullpen catchers, wearing protective gear is required.

Note: the skull caps for coaches is not required but highly recommended.

Run difference Rule

C7.4. Refer to the Tournament Regulations Appendix I to see specific tournament ruling on Run Difference Regulations.

WBSC Exceptions to the Official Rules of Baseball

C7.5. The need to speed-up the play of international competition games must be constantly stressed to the Umpires, Team Managers and Coaches, and the following rules must be constantly enforced in an effort to keep the game moving quickly:

- o) In the event of inclement weather or other unforeseen conditions, the Technical Commissioners assigned to the game will have the responsibility of determining the start of a game. (Note: exception to OBR 3.10).
- p) The 20-second clock rule for the pitcher must be enforced (refer to Appendix I for each specific Tournament) at all time during the game (without runners on base). Teams shall be directed to have a catcher ready to warm-up the pitcher as soon as an inning is completed.
- c) The pitcher shall complete the allowed warm-up pitches between innings (refer to Appendix I for the number that apply at each specific Tournament) and the Home-plate Umpire shall ensure that the pitches are thrown without undue delay. The between innings clock will be activated once the pitcher on defense crosses the foul line in route to the dugout. If a team fails to complete the warm-up pitches in the allotted length of time, the Umpire may terminate them and call "Play Ball". If the game is televised live, the Umpire Director will confirm the number of pitches and/or duration of warm-up pitches between innings.
- d) When a batter hits a home run, members of his team shall not be allowed to touch the hitter until he has passed the home plate. Failure to observe this rule will result in a warning to the Team Manager and if it occurs again the Team will be fined, and the Team Manager shall be ejected from the game.
- e) Coaches shall be allowed three (3) free trips to the mound during the game to talk with the pitcher (free trip is one in which the pitcher is not removed from the game). These meetings shall be limited to 30 seconds from the moment the Umpire calls "Time" and the clock will be activated when the Manager steps across the foul line on way to the mound. (Note: Countdown clock at competition venue, if available, will show visit time. Otherwise, the second base umpire will monitor with a stopwatch). After the third free trip, each subsequent trip to the mound shall result in the removal of the pitcher. If the game goes into extra innings,

trips not done during the game will not be accumulated and only one (1) additional free trip shall be allowed for each three (3) extra innings played. Two (2) trips to the mound in the same inning to the same pitcher must result in the removal of the pitcher. Coaches that are going to make multiple changes involving the pitcher after the two options mentioned above (after the three (3) free trips or for the second visit in an inning) must go to the home plate umpire to state their changes prior to going to the mound or their moves are invalid, and the pitcher must be removed from the game.

- f) Pitching substitutions shall be limited to the allotted ninety (90) seconds for all games. The pitching change clock will be activated once the substitute pitcher steps onto the warning track coming from the bullpen. If a pitcher fails to complete the warm-up pitches within the ninety (90) seconds, the Umpire may terminate them and call "Play Ball". If the game is televised live, the Umpire Director will confirm the number of pitches and/or duration of warm-up pitches.
- g) WBSC World Cups or Events do not follow the three (3) batters minimum rule. Pitchers entering the game at a WBSC World Cup must face a minimum of one (1) batter.
- h) Teams are allowed a maximum of 3 "offensive meetings" per game. An "offensive meeting" shall be charged any time a Coach delays the game for any length of time to talk with an offensive player; whether it is the hitter, a base-runner, an on-deck batter going to the plate, or to another Coach. If the game goes to the extra innings, "offensive meetings" not done during the game will not be accumulated and only one additional "offensive meeting" shall be permitted for each three (3) extra innings. Failure to observe this rule will result in a warning to the Team Manager and if it occurs again the Team will be fined and the Team Manager shall be ejected from the game. No offensive trip will be charged if the offense discusses strategy during a delay for which they are not responsible (e.g. trip to the mound, injury, player change, etc.) proving they cause no further delay.
- i) The "between innings infield clean-up" shall take place after the bottom of 4th inning (for seven-inning games) and will be limited to a maximum of five (5) minutes during the competition.
- j) Collision Rule
The WBSC is concerned about unnecessary and violent collisions primarily with the catcher at home plate, and with infielders at all bases. The intent of this rule is to encourage base runners and defensive players to avoid such collisions whenever possible.
 - 1. When there is a collision between a runner and a fielder who clearly is in possession of the ball, the umpire shall judge:
 - i. Whether the collision by the runner was avoidable (could the runner have reached the plate without colliding) or unavoidable (the runner's path to the

plate was blocked);

- II. Whether the runner actually was attempting to reach the plate or attempting to dislodge the ball from the fielder. Contact above the waist shall be judged by the umpire as an attempt by the runner to dislodge the ball; or
- III. Whether the runner was using flagrant contact to maliciously dislodge the ball.

PENALTY:

- If the runner attempted to dislodge the ball, the runner shall be declared out even if the fielder loses possession of the ball. The ball is dead and all other base runners shall return to the last base touched at the time of the interference.
- If the fielder blocks the path of the base runner to the plate, the runner may make contact, slide into, or collide with a fielder as long as the runner is making a legitimate attempt to reach the plate.
- If the flagrant or malicious contact by the runner was before the runner's touching the plate, the runner shall be declared out and also ejected from the contest. The ball shall be declared dead immediately. All other base runners shall return to the bases they occupied at the time of the pitch.
- If the contact was after a preceding runner had touched home plate, the preceding runner will be ruled safe, the ball becomes dead immediately and all other base runners will return to the base they had last touched prior to the contact.
- If the runner is safe and the collision is malicious, the runner shall be ruled safe and ejected from the game.

2. If the defensive player blocks the plate or base line clearly without possession of the ball, obstruction shall be called. The umpire shall point and call, "That's obstruction." The umpire shall let the play continue until all play has ceased, call time and award any bases that are justified in Rule 2 of the Official Baseball Rules. The obstructed runner is awarded at least one base beyond the base last touched legally before the obstruction.

- If the base runner collides flagrantly, the runner shall be declared safe on the obstruction, but will be ejected from the contest. The ball is dead.
- If the runner's path to the base is blocked and all stipulations above are fulfilled, it is considered unavoidable contact.

k) Refer to the Tournament Regulations Appendix I to see specific tournament ruling on Extra-Inning Regulations.

C7.6. No Courtesy Runners are permitted in the competition.

C7.7 Refer to the Tournament Regulations Appendix I to see specific tournament ruling on Bats.

C7.8 Refer to the Tournament Regulations Appendix I to see specific tournament ruling on Pitch Counts.

C8. COMPETITION GAME SCHEDULE

C8.1. Once the competition game schedule has been approved by the WBSC, it becomes inviolable and can only be amended further to a new decision of the WBSC in conjunction with the LOC and all stakeholders. Nevertheless, if during the competition there are reasons unforeseen in these norms and an amendment to the schedule would be necessary, changes to the game schedule could be done through a joint proposal of the Technical Director and WBSC Events Department to the WBSC Executive Director, who is the only person entitled to sanction an amendment. The new game schedule shall officially be approved in writing by the Executive Director before being released to all participants.

C9. SUSPENDED GAMES

In case a game is stopped because of weather, curfew or other reason, the following will apply:

C9.1. Before a contest becomes a regulation game, it is not an official game and shall be resumed at the exact point of suspension.

C9.2. After it becomes a regulation game, it is ruled a complete game.

C9.3. When it is tied or when the visiting team takes the lead in an uncompleted inning, and after it has become a regulation game, it shall be ruled a suspended game and shall be resumed at the exact point of suspension and played to a completion. The scheduling of completion of suspended game shall be given priority by Technical Commission in order to complete it as soon as possible.

C9.4. All suspended, tied or games not played shall be re-scheduled by the Technical Commission and the WBSC Events Department in order to resume or start them following the suspension order if applicable. The new schedule has to be officially approved in writing by the WBSC Executive Director before being released to all participants.

C9.5. If there are difficulties concerning the closing date, only the games necessary to establish the final positions of the first three teams will be re-scheduled. No team shall be asked to play more than two games on the same day, unless the case warranted by exceptional circumstances and agreed upon by both teams affected by this measure. Would the exceptional circumstances

persist and would any of the involved teams refuse to play two games on the same day, the WBSC Executive Director has the authority officially to determine whether they must play or not and the team or teams will be under the obligation to do it if the decision of the WBSC Executive Director establishes it as to be so. If the team or teams do not agree to play, they will lose the game by forfeit to appear.

C9.6 As per the *Official Baseball Rules*, for nine (9) inning games, a game is considered a regulation game if five innings have been completed (4 ½ innings if the home team is winning) and the umpire calls the game. For six (6) or seven (7) inning games, a game is considered a regulation game if four innings have been completed (3 ½ if the home team is winning) and the umpire calls the game. In all WBSC sanctioned events, the umpires must wait a minimum of sixty (60) minutes – and no more than ninety (90) minutes -- before making a decision about whether to call the game and make it become a regulation game.

C9.7. If a play is in progress at the moment of a failure of the field's lighting system and an additional action is impossible, the game is considered suspended. Whenever the lights are restored, the game shall continue in the same situation that existed at the beginning of the play which was interrupted due to lack of lighting.

C10. HOME/VISITOR ASSIGNMENTS

C10.1. Opening Round Home and Visitor game assignments are decided by WBSC once all participating countries are known. An attempt is made to ensure the number of Home and Visitor games is as equitable as possible.

C10.2. Establishing home and visitor teams in Super Round / Placement Round games and in Finals shall be done in the following order:

1. Based on the standings of the Opening Round. Teams with higher seed after the Opening Round will be home team (i.e. 1st from A vs 2nd from B, then 1st from A will be home team).
2. By the drawing of lots if the seeding after the Opening Round is equal (i.e. 1st from pool A vs 1st from pool B).

C11. TIE BREAKING

All ties after the Opening Round will be settled as follows (in order):

The standing of the teams after the round robin shall be according to the win-loss record of all the games played. All ties after Opening Round, Super Round and Finals shall be settled in the order of the following list. That is, if criteria (1) does not break the tie, then it is no longer considered the criteria capable of breaking the tie, and the next criteria (2) will be used. This logic continues through the list, in order, until the tie is broken:

1. The team that won the game(s) between the teams tied shall be given the higher position.
2. Team's Quality Balance (TQB) and win-loss records in games between the teams tied.

Note: If three or more teams are tied and when criterion 1 does not break a tie, the team with the highest TQB will be placed in the first spot. The TQB is calculated as follows: (runs scored / innings played at bat) – (runs allowed / innings playing on defence). For a three-way tie and when the TQB is needed to break the tie, the TQB will place all three teams from highest to lowest placing.

3. The team that has the best Earned Runs Team's Quality Balance (ER-TQB).
4. Highest batting average in games between the teams tied.
5. A coin flip.

Five Examples of the application of the Tie Breaker Criteria.

Scenario 1:

Game 1: Team A – Team B 5 – 4

Game 2: Team D – Team E 9 – 1

Standings after single round robin:

Team A	3 Won, 1 Lost	*
Team B	3 Won, 1 Lost	*
Team C	2 Won, 2 Lost	
Team D	1 Won, 3 Lost	*
Team E	1 Won, 3 Lost	**

* Criterion 1: Team A finishes higher than Team B, because of the result of game 1.

** Criterion 1: Team D finishes higher than Team E, because of the result of game 2.

Scenario 2:

Game 1: Team A – Team B 5 – 4 (8 1/3 innings)

Game 2: Team C – Team A 2 – 0 (8 2/3 innings)

Game 3: Team B – Team C 8 – 2 (8 1/3 innings)

Standings after single round robin:

Team A	3 Won, 1 Lost	*
Team B	3 Won, 1 Lost	*
Team C	3 Won, 1 Lost	*

* Criterion 1: No decision between any of the teams A, B and C.

Criterion 2: Team B has the highest TQB, followed by Team A and Team C. Therefore, Team B is 1st place, Team A is 2nd place and Team C is 3rd place.

Team	Runs Scored	Offens. Innings	Ratio	Runs Allowed	Def. Innings	Ratio	TQB
A	5	17	0.2941	6	17.67	0.3396	-0.0454
B	12	17	0.7059	7	17	0.4118	0.2941
C	4	17.67	0.2264	8	17	0.4706	-0.2442

Team B: 12 runs scored in 17 offensive innings = 0.706; 7 runs allowed in 17 defensive innings = 0.412
TQB = 0.294

Team A: 5 runs scored in 17 offensive innings = 0.294; 6 runs allowed in 17.67 defensive innings = 0.339
TQB = -0.045

Team C: 4 runs scored in 17.67 offensive innings = 0.226; 8 runs allowed in 17 defensive innings = 0.471
TQB = -0.244

Scenario 3:

Game 1: Team C - Team D 4 - 3

Game 2: Team C - Team E 8 - 5

Game 3: Team D - Team E 3 - 7

Standings after Super Round:

Team A 5 Won, 0 Lost

Team B 3 Won, 2 Lost

Team C 2 Won, 3 Lost *

Team D 2 Won, 3 Lost *

Team E 2 Won, 3 Lost *

Team F 1 Won, 4 Lost

* Criterion 1: Based on the games played between teams C, D and E, team C won both games (record of 2-0), team E has one win one loss (1-1), and team D lost both games (0-2). Therefore this 3-team tie can be broken with criterion 1 as Team C won the games between the 3 teams. C is placed 3rd, E is 4th place and D is 5th place in this scenario.

Scenario 4:

Game 1: Team A – Team B 7 – 4 (8 1/3 innings), in earned runs 3 – 4

Game 2: Team B – Team C 7 – 4 (8 1/3 innings), in earned runs 5 – 2

Game 3: Team C – Team A 7 – 4 (8 1/3 innings), in earned runs 5 – 1

Standings after single round robin:

Team A 3 Won, 1 Lost *

Team B 3 Won, 1 Lost * **

Team C 3 Won, 1 Lost * **

* Criterion 1: No decision between any of the teams A, B and C.

Criterion 2: No decision between any of the teams A, B and C.

Team	Runs Scored	Offens. Innings	Ratio	Runs Allowed	Def. Innings	Ratio	TQB
A	11	17	0.6471	11	17	0.6471	0.0000
B	11	17	0.6471	11	17	0.6471	0.0000
C	11	17	0.6471	11	17	0.6471	0.0000

Criterion 3: Team B finishes higher than Team C and Team A because of the TQB in games 1, 2 and 3.

Team	Earned Runs Scored	Offens. Innings	Ratio	Earned Runs Allowed	Def. Innings	Ratio	ER-TQB
A	4	17	0.2353	9	17	0.5294	-0.2941
B	9	17	0.5294	5	17	0.2941	0.2353
C	7	17	0.4118	6	17	0.3529	0.0588

Team B: 9 ERuns scored in 17 offensive innings = 0.529; 5 ERuns allowed in 17 defensive innings = 0.294 TQB = 0.235

Team C: 7 ERuns scored in 17 offensive innings = 0.412; 6 ERuns allowed in 17 defensive innings = 0.353 TQB = 0.059

Team A: 4 ERuns scored in 17 offensive innings = 0.235; 9 ERuns allowed in 17 defensive innings = 0.381 TQB = -0.294

Scenario 5:

- Game 1: Team A - Team B 5 - 4 (9 innings)
- Game 2: Team B - Team C 5 - 0 (8 1/3 innings)
- Game 3: Team C - Team D 8 - 4 (8 1/3 innings)
- Game 4: Team D - Team E 9 - 0 (8 1/3 innings)
- Game 5: Team E - Team A 5 - 2 (8 1/3 innings)
- Game 6: Team A - Team C 1 - 3 (9 innings)
- Game 7: Team B - Team D 3 - 5 (9 innings)
- Game 8: Team C - Team E 1 - 3 (9 innings)
- Game 9: Team D - Team A 0 - 8 (9 innings)
- Game 10: Team E - Team B 3 - 7 (9 innings)

Standings after single round robin:

Team A	2 Won, 2 Lost	*	
Team B	2 Won, 2 Lost	*	
Team C	2 Won, 2 Lost	*	**
Team D	2 Won, 2 Lost	*	**
Team E	2 Won, 2 Lost	*	

* Criterion 1: No decision between any of the teams A, B, C, D and E.

Criterion 2: Team B has the highest TQB of all five teams, therefore is placed in 1st place, followed by Team A in 2nd place. Criterion 3 will then need to be calculated to determine 3rd and 4th place between Team C and Team D. Team E is placed in 5th place.

Team	Runs Scored	Offens. Innings	Ratio	Runs Allowed	Def. Innings	Ratio	TQB
A	16	36	0.4444	12	35	0.3429	0.1016
B	19	35	0.5429	13	36	0.3611	0.1817
C	12	35	0.3429	13	35	0.3714	-0.0286
D	18	35	0.5143	19	35	0.5429	-0.0286
E	11	35	0.3143	19	35	0.5429	-0.2286

Team B: 19 Runs scored in 35 offensive innings = 0.542; 13 Runs allowed in 36 defensive innings = 0.361 TQB = 0.181

Team A: 16 Runs scored in 36 offensive innings = 0.444; 12 Runs allowed in 35 defensive innings = 0.342 TQB = 0.101

Team C: 12 Runs scored in 35 offensive innings = 0.342; 13 Runs allowed in 35 defensive innings = 0.371 TQB = -0.028

Team D: 18 Runs scored in 35 offensive innings = 0.514; 19 Runs allowed in 35 defensive innings = 0.542 TQB = -0.028

Team E: 11 Runs scored in 35 offensive innings = 0.314; 19 Runs allowed in 35 defensive innings = 0.542 TQB = -0.228

C12. ALTERNATE DETERMINATION OF CHAMPION

C12.1. In case of extreme weather conditions or any other reasons that prevent the completion of the Super Round and/or Finals, it will proceed as follows:

- a) An extra day will be used to permit the top finishers from each of the Opening Round groups to play a game or games to determine the title.
- b) If extreme weather or other conditions disrupt the competition before completion, all

efforts will be made to determine a champion by playing only the game(s) which remain to determine the title. If a decision regarding a final placement must be made without playing a game, the TQB tie breaking criteria from C-11 shall apply. If teams in question have played different amount of games or if they have not played each other, the equal amount of games played for the teams tied (including those teams with a potential tie if they would have won the remaining games) counting from the beginning of the competition shall be used to calculate TQB and the final placement shall be determined accordingly (if same TQB, ER-TQB shall be used). The same procedure will be followed for subsequent positions if necessary.

D. RESPONSIBILITY FOR THE USE AND CARE OF PROPERTY AND INSTALLATIONS

D1. The participating teams will be responsible for the damages to or disappearance of property in the places where they will be accommodated during the competition. The following procedures will be applied:

- a) A LOC representative and one person from each team will inspect the accommodation upon arrival of each team and an inspection report will follow.
- b) A clearance certificate or a bill for damages and alleged disappearances of property will be prepared by the LOC (in writing) at the end of the competition and submitted to the team Leader of each non-local participating team before leaving the city.
- c) A certificate in writing will certify that the LOC does not have any claim for damages or disappearance of property against the team or any of its members and that it does not know of the existence of any claim against the team.
- d) A written invoice for damages or disappearance of property will specify the damages claimed, the disappeared article(s), name and address of the affected person(s) and amount of the claimed compensation.

D2. In the event of a claim for damages and/or disappearance of property against a team, the LOC and the WBSC will conduct a complete investigation of the events, proposing the corresponding steps to be taken.

D3. Failure to fulfill the stipulations of this section shall mean that the LOC loses the right to make any claim for damages or disappearance of property against any offending team and the WBSC.

E. OTHER MATTERS

E1. USE OF ELECTRONIC DEVICES

The use of electronic devices is forbidden during the games. None of the electronic devices such as cellular phones, laptops, tablets, video cameras, walkie-talkies, shall be used to communicate to on-field personnel, those in the dugout, bullpen, clubhouse and stands. The only exception to this rule is the use of phone/cellular phone to communicate between dugout and bullpen, however such device must be approved by WBSC in advance. No microphones or cameras are permitted in the dugout, bullpens or on the field of play without approval of WBSC. The participating teams must obtain approval of WBSC before using any other or new electronic equipment during a game.

E2. USE OF SOCIAL MEDIA

The use of social media by uniformed personnel of team delegations is not allowed during the games. If any violation is detected, individual(s) and National Federation(s) in question will subject themselves to fines and penalties by WBSC. If your team staff is in the stands during the entire duration of the game, such person may use electronic devices. However, the use of electronic device is prohibited when in and close to dugouts. Before and after the game, use of such electronic devices is allowed. Fans can follow the official online play-by-play, live-stream and/or @WBSC. Press officers stationed in designated press zones are encouraged to share posts (no video footage of game) to social media during the games.

E3. BREAK BETWEEN INNINGS

The amount of time between innings shall be ninety (90) seconds or as set otherwise for each game by WBSC, which shall provide that information to the Technical Commission. The Technical Commission shall communicate to the umpires and the participating teams accordingly. The home plate umpire will instruct the catcher to throw to second base thirty (30) seconds before the conclusion of a between-inning break. After signaling "one more pitch," the home plate umpire shall actively call the leadoff batter to approach home plate. The goal is to have the first pitch delivered immediately after the inning break concludes.

E4. SMOKING AND SMOKELESS TOBACCO

Any members of team delegation are not permitted to smoke in places that are visible to the public including audiences on media outlets such as TV, Internet streaming. It is the responsibility of team delegation leader to ensure such smoking is not seen by public as long as they are in game venues and practice facilities as well as other tournament official activities. In addition, team delegations should only smoke in a smoking area if one is designated by LOC. Any violation of this rule will be taken seriously and violators would be subject to disciplinary action as WBSC may deem appropriate. The use of smokeless tobacco is also prohibited for team delegation members during televised interviews or appearances. While spectators are permitted into the stadium, the delegation leader must ensure that such tobacco products (including tobacco tins or packages) are not visible to audience.

E5. TEAM PRESENTATION

All official delegation members must wear official game uniform at the competition venues. For uniformed personnel including players and coaches, they must wear game uniform during their stay at the venues when participating in official activities (e.g. games, ceremonies, any other events as requested by WBSC). For non-uniformed personnel staying in dugout during the games, they must wear official team apparel provided by their respective teams or organisations. All official delegation members must be mindful of how their teams are presented and must maintain professional attire at all time at the venues.

E6. MEDIA OBLIGATIONS

On game and workout days, players and coaches shall be present at media interviews and press conference if so requested by WBSC or its partners. All players and coaches must go through the mixed zones at each venue, if any. All official delegation members shall also cooperate on all other media opportunities reasonably requested by WBSC or its partners. Team Delegation Members must wear game uniform at press conference and other media appearances if so requested by WBSC.

F. FINAL DISPOSITIONS

F1. The Hosting Agreement signed between the WBSC and the LOC establishes the rules and the general norms under which the competition shall be conducted, as well as the obligations and responsibilities of each of the parties. This document serves as a non-restrictive complement to said Agreement.

F2. During the course of a competition, the WBSC Executive Director, the Technical Director and the LOC shall have the authority to jointly make decisions on any point not specifically covered in this document. In any aspects where there is no mutual agreement, the WBSC Executive Director will be the final authority.

F3.
