HIRST STEP FROM CHINA.

TO THE EDITOR OF THE HERALD: I think that China should make the fire dor is wide enough awake to do this; the in the usual slang phrase, it would be u to the government of these United State to accept or reject the offer. The imme diate advantage would be with Chine Sr. Permanuag, Wednesday. The fact This is her hour of need. To us the bent that Asiatic cholera exists in St. Peters- fit would be incalculable, but more expe burg has been established without any cially to future generations. We have

air thirty-sight minutes was received with incredulity. After yesterday's perform months.

This bests bullooning, "greating properties of the court of the courts. They are the performances the sceptics will glady spologies." This bests bullooning, "greating bullooning," greating bullooning, grea
