## **RGV ABOUT THE RIO GRANDE VALLEY VIPERS**

The Rio Grande Valley Vipers were established by RGV Basketball, LLC in 2007 and are now entering their ninth season. The Vipers were originally affiliated with three teams during the first two seasons- the Houston Rockets, New Orleans Hornets and Cleveland Cavaliers. In 2009, the Houston Rockets basketball operations staff and Vipers owners pioneered the idea of single-affiliation, a concept that has since been adopted by 17 NBA organizations. The Vipers basketball operations area is managed by the Houston Rockets, while all business initiatives are managed locally by the team's owners. The Vipers are coached by Matt Brase.

The Vipers are one of the most successful franchises in the NBA Development League, boasting two Division Championships (2010 and 2013) and two NBA Development League Championships (2010 and 2013). RGV has also produced one Dennis Johnson Coach of the Year, current Houston Rockets assistant Chris Finch (2010), and two Most Valuable Players, Andrew Goudelock (2013) and Mike Harris (2010). Along with numerous awards, the Vipers hold the longest winning-streak in NBA Development League history with 19 regular-season games from March 16-Dec. 1, 2013, 25 straight games including the 2013 Championship run. Additionally, 33 former Vipers have received GATORADE Call-Ups and four former staff members are now part of NBA coaching staffs.

### **MAJORITY OWNER – ALONZO CANTU**

Alonzo Cantu is the majority owner of the NBA Development League's Rio Grande Valley Vipers. The team was founded in 2007 and is currently in its ninth season. The Vipers team was originally affiliated with the Cleveland Cavaliers, New Orleans Hornets and Houston Rockets. However, in 2009 the Rockets and Vipers pioneered the idea of hybrid affiliation and became the first NBA and NBA D-League teams with hybrid single-affiliation.

The RGV Vipers have won two NBA Development League Championships (2010 and 2013), along with two Division Titles (2010 and 2013). The 2012-13 squad was also awarded the 2013 NBA D- League Development Award, which recognizes the team that best embodies the NBA D- League's goals of developing NBA-caliber basketball talent via call-ups and assignments.

The 2013-14 season was a record-breaking season for the Vipers. The team won its first nine games of the season, which combined a 10-game winning streak to end the 2012-13 season gave the Vipers the longest winning streak in NBA D-League history (19 games, 25 games including 2013 Playoffs). The Vipers also set the record for most three-point field goals in a season (801), and Houston Rockets Call-Up Troy Daniels set the NBA D-League individual record for three-point field goals made (240).

Throughout the team's history, the Vipers have produced 33 GATORADE Call-Ups. Off the court, the front office has received league awards in attendance, sponsorship, ticket sales and community initiatives.

**TEAM PRESIDENT • BERT GARCIA**

Bert Garcia is in his sixth year as RGV Vipers President after being promoted from Vice President of Operations during the summer of 2010. Garcia was the recipient of the 2011 NBA Development League Team Executive of the Year Award, which is determined by peer voting.

Under Garcia's leadership, the Vipers have led the league in tickets sold, group ticket sales and overall attendance multiple seasons. The Vipers also became the first NBA D-League team to secure title sponsorship and a logo on the front of their jersey. Lone Star National Bank is entering its fifth season as the Vipers' title sponsor.

Garcia, along with city leaders, spearheaded projects to build the Vipers a state-of-the-art practice facility in Edinburg, Texas. The facility is also the first of its kind in the NBA D-League. Not only is the Vipers practice facility built with the goal of developing Vipers and Houston Rockets players, but it will also serve as a centerpiece in the Edinburg community for youth sports programs and community events.

Also in Edinburg, Garcia and a group of community leaders started a plan to build an 8,500-seat arena that will serve as the home of the Vipers and also bring top entertainment and economic development to the city. The new arena is slated to open in the spring of 2016.

In addition to his leadership with the Vipers, Garcia has worked alongside the Vipers ownership group to bring a United Soccer League Franchise the Rio Grande Valley. RGVFC will serve as the development affiliate of Major League Soccer's Houston Dynamo and will play in a new 9,400-seat stadium in Edinburg, Texas. RGVFC's first season officially kicks off in the spring of 2016.

Garcia is in his ninth overall season with the Vipers after joining the team during the 2007-08 season, initially as a basketball operations volunteer for head coach Bob Hoffman, for whom he had worked for previously at The University of Texas-Pan American. Garcia joined the Vipers' front office full-time in February of 2008 as a corporate sales manager. He was then promoted to Assistant General Manager of Corporate Sales before being promoted to Vice President of Operations.

Garcia was born and raised in Edinburg and currently resides in McAllen.
