School of Fundamental Science and Engineering** School of Creative Science and Engineering**	1448.7	32.6	37.6/42

**Average score of successful applicants of last three years (2021-2023).*

***Average score of standardized tests of applicants who passed the document screening in the last two years (2022-2023).*

We encourage students to keep in mind that this statistic only reflects part of our holistic review process, and your performance on the test alone will not determine your admission. Waseda University has neither a minimum standardized test score nor a certain score that would guarantee your admission.

We also accept a wide range of other international qualifications/standardized tests besides the above. For details, please check the application guidelines of the school you are applying to.
