TABLE IX.—Population of Minor Civil Divisions, &c.—KANSAS.

NOTE.—The marginal column marks townships and land-survey townships; the first indentation, cities; the second, towns. Names of towns are placed under the names of the townships or land-survey townships in which they are respectively situated. The population of each township or land-survey township includes that of all towns situated in it.

TABLE IX.—Population of Minor Civil Divisions, &c.—KENTUCKY.

NOTE.—The marginal column marks precincts, or election districts, whose numbers are official; the names are those in general use. The first indentation marks cities; the second towns. Names of towns are placed under the names of the precincts or election districts in which they are respectively situated. The population of each precinct or election district includes that of all towns situated in it.

TABLE IX.—Population of Minor Civil Divisions, &c.—MARYLAND.

NOTE.—The marginal column marks election districts, whose numbers are official; the names are those in general use. The first indentation marks cities; the second, towns. Names of towns are placed under the names of the election districts in which they are respectively situated. The population of each election district includes that of all towns situated in it.

TABLE IX.—Population of Minor Civil Divisions, &c.—MINNESOTA.

NOTE.—The marginal column marks townships and land-survey townships; the first indentation, cities; the second, towns. Names of towns are placed under the townships or land-survey townships in which they are respectively situated. The population of each township or land-survey township includes that of all towns situated in it.

TABLE IX.—Population of Minor Civil Divisions, &c.—MISSISSIPPI.

NOTE.—The marginal column marks beats, districts, precincts, or land-survey townships; the first indentation, cities; the second, towns. Names of towns are placed under the names of the civil divisions of the county in which they are respectively situated. The population of each beat, district, precinct, or land-survey township includes that of all towns situated in it.

TABLE IX.—Population of Minor Civil Divisions, &c.—MISSOURI.

NOTE.—The marginal column marks townships or land-survey townships; the first indentation, cities; the second, towns. Names of towns are placed under the names of the townships or land-survey townships in which they are respectively situated. The population of each township or land-survey township includes that of all towns situated in it.
