Subject:

Dear Sir

Within the framework of the Assistance that the International Civil Aviation Organization (ICAO) is offering to contracting States, I have the honour of asking you to please assist us in undertaking an expert appraisal of the Falcon 50 aeroplane registration 9YR-NN that crashed on 06 April 1994 in Kigali.

The expert who would assist us would work in close collaboration with that of the Dassault Factory (manufacturer of the said aeroplane).

Yours faithfully.

Minister for Transports and
Communications
Dr Charles Murigande
