LOCAL & SECTIONAL QUALIFYING

Location; Transferring

Players' preferences for both Local and Sectional Qualifying locations must be designated on the entry.

Please be advised that the Columbus, OH and Memphis, TN Sectional Qualifying locations may have more players than can be accommodated. Locally exempt players, who have filed entries, will be automatically placed in the Sectional Qualifying site of their choice, provided the site has not exceeded its capacity.

Any player who has selected Columbus, OH or Memphis, TN for his Sectional Qualifying Site, may not receive his first choice of qualifying site and must indicate a second and third alternate qualifying site. If a player does not select a second and third choice, or all selected sites are full, the USGA will assign a site. If reassignment is necessary, the USGA will contact the player. Please note, locally exempt players will receive priority.

Qualifying sites may be cancelled due to lack of participation. No local qualifying site is final until after entries close.

Transfer to another location will be permissible only as follows:

Local Qualifying Rounds-before entries close;

Sectional Qualifying Rounds-before Local Qualifying Results are determined.

Qualifiers' Places; Ties; Substitutions

The number of qualifiers' places in each location will be determined by the USGA after entries close, based on size and playing quality of the field.

A tie for the last qualifier's place, or an alternate's place will be decided immediately by a hole-by-hole play-off.

Substitutions in order of qualifying scores will be allowed for qualifiers unable to compete in the next stage of the Championship. In the case of Sectional Qualifying Rounds, the substitute must play in the location entered by the withdrawn player.

If a qualifying location cannot fill its qualifiers' places for the next stage, or if an exempt player withdraws, the place made available will be reallocated to another location. A reallocation schedule will be prearranged by the USGA.

If a player withdraws before playing a stroke either in Sectional Qualifying or in the Championship proper, a substitution is allowed. Only the USGA may make such substitutions.

Acceptance of Places; Notice of Withdrawal

On the day of qualifying, every qualifier should inform the Official in Charge whether he will play in the next stage.

If a qualifier or an exempt player withdraws, he must notify the USGA (908-234-2300) promptly in order to insure an alternate fair opportunity to play. Failure to comply may result in disqualification from future USGA competition.
