## ATP WELCOME

On behalf of the ATP, it is my pleasure to welcome you to the 2022 ATP Tour season.

As we look ahead to another season, it's difficult not to be encouraged by the upside potential of our sport. Tennis boasts iconic players, both men and women, with incredible diversity of personality. The breadth and quality of content — from the ATP Cup in January to the season-ending Nitto ATP Finals in November — is simply phenomenal.

In the men's game, three all-time greats Novak Djokovic, Roger Federer and Rafael Nadal stand level with 20 Grand Slam titles apiece. Hot on their heels is an impressive next generation of young stars, hungry to further their ascent up the ATP Rankings. The ATP, as one of the few truly global sporting properties in the world, continues to grow.

Last season, we continued to navigate challenges presented by the global pandemic. I'm proud of the way tennis rallied together through trying circumstances to keep the show on the road, right up to the Nitto ATP Finals' first edition in Turin. It's testament to the dedication and collaborative spirit of everyone involved in our sport.

On the business side, we were pleased to put some important building blocks in place for the future. We were able to vote through key elements in the ATP's strategic plan. We set up a joint marketing division with the WTA and collaborated on content creation and commercial partnerships. And we built out ATP Serves, a key driver of purpose-led initiatives helping our sport make a positive difference in the world. It all speaks to the same underlying principle, that we can only fulfil our game's true potential by working together. This will all help us focus on what matters most: our fans

I would like to thank our friends in the international media, whose storytelling is essential for bringing our game to life for millions of fans around the world. We hope this Media Guide proves a valuable asset in your coverage.

Lastly, to our fans, thank you for your support. We look forward to sharing in all the action, passion and inspiration of the ATP Tour with you over the coming season.

**Andrea Gaudenzi**  
ATP Chairman

## THE LONG RUN

All who aim to reach the pinnacle of tennis know that this tour is played over the long term. But few can truly grasp how, in truth, it is a never-ending story. In this unforgiving obstacle course, each player will start over with every venue, every challenge, every game. He will have to adapt to ever-changing latitudes and atmospheres, every possible — or rather, impossible — surface. With no assurance of ever reaching the Nitto ATP Finals. Yet with the absolute conviction that it is on these exact terms that careers are built and legends are written... one victory at a time. Welcome to the ATP Tour.

## ATP TOUR TIMELINE

The ATP is in its sixth decade as a leading governing body in professional tennis. The organisation was formed in 1972 when a handful of the game's top players met in a secluded stairwell at the US Open to discuss the need for a players' association. Under the leadership of newly elected executive director Jack Kramer and president Cliff Drysdale, the Association of Tennis Professionals (ATP) came to life with a goal of changing the game for the better.

### 1973

The ATP establishes the computer ranking system on 23 August, providing a fair analysis of a player's performance and creating an objective way to determine entries into tournaments.

### 1974

The Men's International Professional Tennis Council (MIPTC), made up of ATP, ITF and tournament directors, is formed to govern the sport as an "independent, democratic, international body for the administration of professional tennis".

### 1976

The ATP doubles computer rankings begin on 1 March.

### 1980

The ATP sets up a player pension fund.

### 1985

At the request of the ATP, MIPTC passes a drug testing rule, making tennis the first professional sport to institute a workable and well-designed drug testing programme.

### 1986

In an effort to make the calendar more coherent, the MIPTC moves the Australian Open a month back to January (1987) and The Masters a month earlier to December (1986).

### 1988

The players, under ATP CEO Hamilton Jordan, hold a press conference in the US Open parking lot to announce that they will assume more control of the game. "Tennis at the Crossroads" outlines a plan for players to form a new tour. Tournament directors representing many of the world's leading events voice their support for the players and join them in what was to become a partnership unique in professional sports - players and tournaments each with an equal voice in how the circuit is run.

### 1990

Sponsored by IBM, the ATP Tour era begins with an equal partnership between players and tournaments. The circuit features 76 tournaments in 28 countries on six continents, with prize money averaging a 50% increase at the events. Indianapolis tournament director Mark Miles is named ATP CEO.

### 1993

The ATP Tour extends its global reach, adding Arabian Gulf tournaments in Doha and Dubai.

### 1995

The ATP Tour launches its first web site, ATPTour.com.

### 1996

The Mercedes-Benz/ATP partnership begins with a four-year agreement.

### 1997

The ATP Senior Tour of Champions is sanctioned.

### 1998

Players form a new STARS program as the ATP Tour helps make players more accessible to media, sponsors and fans. ATP broadcasts extend their reach to more than 200 countries.

### 2000

The ATP Tour changes its name to ATP for 2001, introduces a new logo and rebrands its nine premier tournaments the Tennis Masters Series.

### 2005

Etienne de Villiers is named ATP Chairman in June. The year-end Tennis Masters Cup is held in Shanghai.

### 2007

The ATP introduces a number of changes to the Tour, including the elimination of best-of-5 set finals, as well as reduced draw sizes at five ATP Masters Series events to lessen the physical demands on top players and enhance TV scheduling. The ATP also increases prize money for the first time since 2000 and creates a new multi-million dollar marketing fund.

### 2008

All worldwide tennis organisations (ATP, WTA, ITF and Grand Slams) form a Tennis Integrity Unit.

### 2009

Adam Helfant takes over as ATP Executive Chairman and President in January. Three new tournament categories are introduced as the circuit is rebranded ATP World Tour: Masters 1000, 500 and 250 level events. The ATP's season finale takes place at The O2 in London for the first time.

### 2012

Brad Drewett takes over as ATP Executive Chairman and President in January.

### 2013

Brad Drewett passes away in May from Motor Neurone Disease. In the preceding 12 months, he had led discussions resulting in significant prize money increases for all players across all Grand Slams.

### 2014

Chris Kermode takes over as ATP Executive Chairman and President on 1 January. The ATP's season finale sets a new attendance record of 263,560.

### 2015

The ATP secures an enhanced partnership with Emirates that sees the award-winning airline become the Tour's Premier Partner through 2020.

### 2017

The inaugural Next Gen ATP Finals takes place in Milan, showcasing the world's best 21-and-under players in a new and innovative format.

### 2018

The ATP announces the launch of the ATP Cup, a new team event set to take place in Australia from January 2020 in partnership with Tennis Australia. A new 'ATP Tour' brand identity and 'Love It All' marketing campaign is unveiled for 2019.

### 2019

The ATP Tour achieves an all-time attendance record with more than 4.8 million fans attending on-site. Emirates' status as Premier Partner of the Tour is renewed for a further five years. An agreement is reached for Turin, Italy, to host the Nitto ATP Finals from 2021-2025. Andrea Gaudenzi is elected as ATP Chairman, beginning January 2020.

### 2020

The inaugural ATP Cup launches in January in Australia. A global COVID-19 outbreak forces the suspension of the Tour prior to Indian Wells in March. The ATP Tour resumes in August, and the Nitto ATP Finals marks its 50th anniversary during its final year in London. Chairman Andrea Gaudenzi unveils a new strategic vision for tennis.

### 2021

The ATP Tour calendar faces continued disruption from COVID-19, leading to the postponement or cancellation of several events, including the Asia Swing. A number of single-year tournament licenses are issued to optimise the schedule. ATP and WTA create an integrated marketing team to unify storytelling across the Tours. ATP Serves launches and ATP becomes a signatory of UN Sports for Climate Action. The Nitto ATP Finals is held for the first time in Turin.
