**INTRODUCTION**

These are the official rules and procedures for the Primetime Emmy Awards. Although published both on the Television Academy’s website and in booklet form, the definitive version will always be the one on the website, because it can be updated and amended as necessary.

These rules have been reviewed for the 2013-2014 awards and, as specifically noted in the text (in bold), revised by the Television Academy Board of Governors.

For clarification of rules and procedures, call the Television Academy's senior vice president of awards, John Leverage (818/754-2871), the Television Academy's vice president of awards, Julie Shore (818/754-2874), or the Primetime awards staff: Sheri Ebner (818/754-2881), Barrie Nedler (818/754-2879), Sara Guyton (818/754-2837) and Riquel Olander (818/754-2857).

The Primetime Awards Committee, on behalf of the Board of Governors, is the final arbiter of any and all Primetime Emmy Awards eligibility matters.

Category placement will not be finalized until 72 hours prior to the publication of the nominating ballots. Entry in a category or issuing For Your Consideration video assigned to a category does not assure placement in that category. If you have a question about category placement, please contact the awards department.

## ENTRY PROCEDURES

1a. **Entry Deadline:** Entries will be accepted online until **April 25, 2014**. All entries, whether the program has already aired or will air between April 25 and May 31, **MUST** be entered by April 25. For example, a program still in editing without a final music score must be entered by the editor and the composer by April 25. If upon viewing the completed program the entrant decides (by 5:00 PM on May 31) to withdraw the entry, the entry fee will be refunded.

1b. **DVD/Digital Upload Deadline:** Certain program categories and individual achievement categories and areas require DVDs or a digital upload to be submitted by the entry deadline. If the program or episode has not aired, or if the DVDs or digital upload is not ready by the entry deadline of April 25, 2014, the final deadline for DVDs/digital uploads to be submitted to the Television Academy will be May 9, 2014, unless otherwise specified.

2. Entries made before the deadline may be modified by the entrant until 5:00 PM on May 31, 2014. An example of a modification would be the replacement of the episode submitted for judging with another eligible episode. **Please note that no modifications to any entry will be allowed after the nominating ballots are posted (June 9).**

3a. Programs and individual achievements unexpectedly scheduled for airing after the entry deadline (April 25) has passed may be entered until 5:00 PM on May 31, 2014 (e.g., a program scheduled for a June airing that was rescheduled for May).

3b. Programs and individual achievements in preparation but not completed by the time of the entry deadline (April 25) must be entered on or before that deadline. For example, a program still in editing without a final music score must be entered by the editor and the composer by April 25. If upon viewing the completed program the entrant decides (by 5:00 PM on May 31) to withdraw the entry, the entry fee will be refunded.

4. To be eligible, a program must have its "premiere" airing during the eligibility period. This "premiere" must be the first airing and promoted and reviewed as such. Preview screenings, which are aired late-night or posted on the web and are not promoted or reviewed, will not qualify as an eligible "premiere."

5. Producers may enter their programs for nominations in all categories except in the music categories, where the entry must be made by the individual. Individuals may enter themselves (and their team, if the entry is for a team achievement) for specific individual awards.

6. Producers may submit one or more program entries per program category or area. In most categories/areas an eligible individual or the identical team may enter multiple achievements per category or area if the achievements are for different programs. Categories excluded from this rule are directing in comedy and drama series, directing for movies/miniseries, directing for variety series and specials and technical direction for series and movies/miniseries or specials. In the case where a producer makes an entry for an eligible individual or team, it is the producer's responsibility to inform them that the entry has been made on their behalf.

7. It is a general principle of this competition that a single achievement is limited to a single bid for an Emmy, i.e., every entrant is eligible to place his/her achievement in only one appropriate category. Final approval of category placement is determined by the Primetime Awards Committee.

8. In the case of team entries, entrants must submit the complete team, not just themselves or partial teams. Only those individuals who have made a significant and substantive contribution to the achievement entered are eligible.

PLEASE NOTE: In 2004, the Board of Governors of the Television Academy set numerical caps on the number of team members in numerous categories of the competition. Peer Group

Executive Committees may recommend cap waivers to the Primetime Awards Committee in cases where the rule of substantial contribution (above) calls for their consideration.

9. It is often the case that an agent, manager, studio, production company or broadcast entity will facilitate the entry by submitting the form, but the individual who is listed as the "entrant" is considered by the Television Academy to be the person who has made the entry. Please note: Submissions for all music categories can be made by the individuals or creative teams seeking an Emmy nomination only. No producer or awards representative submissions.

10. Eligibility is based on screen credit. Producers may not alter an individual's screen credit in order to qualify the individual for Emmy eligibility. **Entries not supported by final and definitive credits (as determined by the Awards Committee in conjunction with the relevant peer group executive committee) are ineligible.**

11. Next of kin may make an entry on behalf of a deceased relative.

12. Correct entry information is the responsibility of the entrant. The Television Academy is not liable for incorrect ballot listings that are the result of incorrect information on the entry forms.

13. If an entry is made in the wrong category and the error is not discovered until it goes to the voters on the nomination ballot, it will be disqualified. If the Television Academy makes an error that leads to an incorrect categorization on the nomination ballot, a correction will be issued.

14. Ineligible entries will be disqualified at any stage of the competition.

## MEMBER FEES

1a. Each member submitting an entry will need to enter his/her member ID number on the entrant page of the online form to receive their entry fee discount (maximum of two entries are covered by the member discount). The member's first entry is discounted at 100% and their second entry is discounted at 50%. Additional entries will require the full entry fee. Please note: For an entry with a single entrant, the entire entry fee is waived. For an entry with multiple entrants, only the member's portion of the entry fee is waived. Membership cards are non-transferable.

1b. In the case of an entry with multiple individuals, be it for an individual achievement or program, each individual may enter his/her membership ID number to cover his/her percentage of the entry fee. The member ID number can be found on the front of your membership card. If you do not have your membership card, please log into your account at [www.televisionacademy.com](http://www.televisionacademy.com) or you can e-mail the membership department at [membership@televisionacademy.com](mailto:membership@televisionacademy.com).

2. Non-members pay their percentage based on the number of individuals submitted. If a non-member entrant joins the Television Academy prior to April 17, his/her entry fee will be waived.

**PLEASE NOTE:** If a non-member of the Television Academy is announced as a nominee on July 10, he/she will receive one complimentary nominee ticket to the awards presentation and ball (members receive two complimentary tickets). Creative Arts non-member nominees may purchase one guest ticket to the presentation and ball for \$250, Telecast non-member nominees may purchase one guest ticket to the presentation and ball for \$500, or non-member nominees may choose to join the Television Academy (membership fee \$185) to receive a guest ticket at no extra charge. Non-members may also join prior to April 17 and have their percentage of the entry fee waived.

3. A member entering a commercial may enter their membership ID number to cover the \$250 entry fee for either the eligible ad agency or the production company.

4. National Academy of Television Arts & Sciences memberships are not valid as entry waivers.

## CRITERIA FOR ELIGIBILITY

The 2001 rules book language stating that only programs "originated for" television are Emmy-eligible was changed in 2002 to "originally aired on" television (including by way of example so-called basic cable, pay cable, pay television, pay-per-view, interactive cable and broadband) in order to clarify that the Television Academy does not include in its eligibility test the development history of a program.

The eligibility of individual achievements will remain as it has been in the past:

- eligibility will be considered on a case-by-case basis
- other than performances, individual achievements originated for or derived/adapted from a medium other than television (e.g., the costumes for a Metropolitan Opera production subsequently taped for broadcast) are ineligible

- individual achievements originated for television or simultaneously originated for both television and another medium (e.g., costumes for a joint production of a program designed to be presented live on stage and live/recorded on television) are eligible

1. Programs (and individual achievements within them) are eligible for nomination if they were originally aired or originally transmitted during the eligibility year in any primetime period (6:00 PM - 2:00 AM) (i) by broadcast to at least 50% of the total potential U.S. television audience or, (ii) by pay/basic cable transmissions (including by way of example so-called basic cable, pay cable, pay television, pay-per-view, interactive cable and broadband) to markets representing at least 50% or more of U.S. households.

2. To be eligible, a program must have its "premiere" airing during the eligibility period. This "premiere" must be the first airing and promoted and reviewed as such. Preview screenings, which are aired late-night or posted on the internet and are not promoted or reviewed as such, will not qualify as an eligible "premiere."

3. Where there is a program that is eligible for placement in more than one category, the producer has discretion (excluding nonfiction/reality programs) with the final approval of the Awards Committee to enter the program and its individual achievements in any category where they are eligible. The premiere season category placement of comedy and drama series determines and locks in the subsequent years' placements, i.e., if a series in its initial year is placed in comedy series, it cannot in a subsequent year change to the drama series category. The placement of a program automatically directs the placement of all individual achievement entries, e.g., if a program is placed in comedy series, performers must follow in comedy series categories (or, where there is no such direct correspondence, the most appropriate category).

4a. Game shows that fall short of Primetime and Daytime eligibility because they lack more than 50% penetration in either Daytime or Primetime time periods (but have a total Primetime-plus-Daytime penetration of greater than 50%) are eligible to enter in either the Daytime or Primetime Emmys (in accordance with eligibility rule 4b). Producers of programs that have both a daytime and nighttime version must choose one or the other for entry in either the Daytime or Primetime Emmy Awards. A syndication market listing is required for all syndicated entries.

4b. Game shows initially broadcast in primetime during the hours of 8:00 PM and 2:00 AM Eastern Time and the corresponding primetime period in other time zones are to be judged and presented as a part of the Primetime Emmy Awards competition and ceremony. Game shows broadcast prior to 8:00 PM are eligible in the Daytime Emmy Awards.

4c. Game shows initially transmitted at 8PM ET on a single feed network, e.g., via the internet or some cable platforms, reach less than half of the country at 8PM ET and more than half the country prior to 8PM ET (7PM CT + 6PM MT + 5PM PT), and therefore they qualify as national programs in the Daytime rather than the Primetime competition. However, with a multiple feed network, we count the primetime feeds in each time zone, e.g., an initial 6PM ET feed + a subsequent and separate 6PM PT feed = over 50% of the country receiving its own, separate, 6PM feed.

5. Game shows and any program that gives a prize or is itself a contest and/or competition must enter as a Reality-Competition Program.

6. Extended-length episodes of series may only be entered in the series area and may not be entered as movies, miniseries or specials.

**7. Entertainment News Programs airing nationally between the hours of 6:00 PM and 8:00 PM may choose to compete in the Daytime Emmy Awards.**

8. Foreign television production is ineligible unless it is the result of a co-production (both financially and creatively) between U.S. and foreign partners, which precedes the start of

production, and has a commitment to be shown on U.S. television prior to the start of production. The producer of any production produced in the U.S. or outside the U.S. as a co-production between U.S. and foreign partners, in a language that is substantially (i.e. 50% or more) in a language other than English, shall have the discretion to enter the production and its individual achievements in any category where they are eligible in the Primetime Emmy Awards competition or in the awards competition of the International Academy of Television Arts & Sciences ("International Academy"), but not both. The Primetime Emmy Awards currently have no current categories for non-English program categories; if such categories are to be created, the Television Academy will give the International Academy at least eighteen months' (commencing no earlier than January 1, 2014) notice prior to such effect; creation of new non-English categories will not affect the International Academy categories and the producer shall have the option of entering the existing Primetime Emmy Awards category or the new Primetime Emmy Awards non-English category or the International Academy category for which eligible, but may enter only one such category.

9. A program that had eligibility in a prior awards year or another Emmy competition or is a foreign acquisition without benefit of a domestic co-production can not be re-introduced into eligibility in the current awards year, even though it may have been modified with new footage, sound track, musical score, etc.

10. Television programs that are offered for sale on home video devices or offered for sale by means of electronic sell-through on the Internet prior to their first airing or Internet exhibition are not eligible, unless such offering occurs within seven (7) days prior to the program's original airing or Internet exhibition. Television programs that are offered for general theatrical exhibition occurring prior to their airing or Internet exhibition are not eligible. "General theatrical release" shall not include (A) exhibitions made for purposes of fulfilling award requirements (e.g. festival awards, the Oscars) if such exhibition occurs in limited theatrical release of not more than seven (7) days in not more than two (2) cities and/or (B) exhibitions made for the purpose of meeting "theatrical prelease" requirements of a motion picture distributor or financier if theatrical exhibitions prior to the airing or Internet exhibition of the television program does not exceed seven (7) days in not more than ten (10) U.S. cities. Showing a foreign television program that otherwise qualifies as an eligible foreign co-production under the rules shall not be disqualified because of a prior limited theatrical release.

11. Telethons aired for the purpose of raising money for political parties are ineligible.

12. No program (along with its individual achievements) previously entered in any other national Emmy competition (Daytime, News and Documentary, Sports, Engineering or International) is eligible for the Primetime competition.

13. Programs first broadcast during primetime hours, which are essentially "extensions" of a daytime series, may not be entered in either the Primetime or Daytime Emmy competitions. A program will be considered an extension program of a Daytime program or series unless the Primetime Awards Committee determines that there are factors which take the submitted program out of the category of an "extended program" such as: whether the running time of the program submitted differs from that of the series episodes; whether writers and cast members are different from those on the series; whether there are differences in the program format; whether the story content is designed as a complete arc containing a beginning, middle and end rather than an open-ended serial-style, and similar considerations.

14a. An ongoing series or intended series (excluding documentary/nonfiction and animation) that is cancelled or discontinued and five or less episodes first aired in the current eligibility year, the series is ineligible.

14b. Hanging Episodes for series eligibility: If an ongoing series has enough episodes in the current eligibility year to qualify as a series and has one or more episodes that are part of the series season that fall into the subsequent eligibility year, the "hanging episodes" that are in a contiguous rollout on the same distribution platform join in eligibility the already-qualified-as-eligible episodes of the series, as long as the hanging episodes air prior to the return of the first round ballots. For example, a comedy series that regularly airs on a weekly basis that

has six episodes in the 2014 eligibility year and has two more episodes of its series season airing subsequently and on the same platform in the 2014 eligibility year would enter all eight episodes in 2014 eligibility. On the other hand, a comedy series that has two episodes in the 2014 eligibility year and six more episodes airing subsequently on the same platform in the 2015 eligibility year would enter the eight episodes only in 2015. They would not be allowed to "sneak" the six episodes, e.g., post them on the internet or air them in an obscure time spot, in order to qualify the series in 2014.

14c. Hanging episodes/parts eligibility for miniseries: If the majority of the episodes/parts of a miniseries air within the current eligibility year and has one or more episodes/parts that fall into the subsequent eligibility year, the "hanging episodes/parts" that are in a contiguous rollout on the same distribution platform join in eligibility the already-qualified-as-eligible episodes/parts of the miniseries, as long as the complete miniseries is broadcast prior to the return of the first round ballots.

15. Clip shows, year-enders, best-ofs and anniversary specials must be entered as specials. Previously-aired material from the past two eligibility years is limited to no more than 35% of the program's total running time in order to be eligible. (Inclusion of material originally aired prior to June 1, 2012 is considered "historic" and does not negatively affect eligibility.)

16. A "special" episode of a primetime series (excluding variety series and nonfiction series) may be entered as a stand-alone special in a non-series category or area, but only if it was not part of the regular series order from the network or involves a significant and substantive format change throughout, e.g., from whole-episode live-action to whole-episode animation. A variety series or nonfiction series episode that diverges from the series norm may not enter as a separate, stand-alone special, even if it was not part of the regular series order from the network.

17. Syndicated programs that have reached a cumulative audience of at least 50% of the total potential U.S. television audience during the eligibility period, but not 50% exclusively in Daytime or Primetime, may enter either in Daytime or Primetime, but not in both. A producer may enter the program where it had the highest percentage of original airtimes, or where its appropriate category appears. A syndication market listing must accompany all syndicated entries.

18. If a program is comprised of more than one segment, an individual entrant must enter his or her segment only.

19. Where there is a minimum percentage of screen time for an achievement to gain eligibility, and that minimum is not met, the achievement is ineligible to enter elsewhere in the competition.

## **NOMINATION VOTING PROCEDURES**

1. Ballots will be posted on June 9, and the deadline to vote is 5:00 PM on June 20.
2. All members are entitled to vote for best program nominations. This rule does not include animated programs or documentary/nonfiction program categories (only Animation peer group members will receive the nominating ballot for animated programming and only the Documentary peer group members will receive the Documentary/Nonfiction Specials and Series ballot). Voters may cast up to ten votes in each program category/area.
3. Peer groups and membership branches receive ballots pertinent to their membership (see Appendix for breakdown).
4. **HYPHENATE BALLOTS:** Ballots outside of their peer groups may be requested by members whose credits would allow them voting privileges in those peer groups, e.g., a producer member who also has the requisite writing credits may additionally request a writing

ballot. The deadline for applying for additional ballots is **April 17**. Current members will be notified in March. If you do not receive the notification, please call the membership department at 818/754-2800. Members must reapply every four years to receive hyphenate ballot(s).

## NOMINATION PROCEDURES

1. In general, there will be five nominations in each category and area (an exception being comedy and drama series, variety series, reality and reality-competition programs and comedy and drama series lead, supporting and guest performers **and miniseries directors, lead and supporting performers and writers, and technical direction for a series** where there will be six nominations in each category/area).

2. The number of nominations will not exceed 1/3 the number of the category or area entries, with the understanding that there will always be a minimum of two nominations per category or area.

3. Where there are less than five entries in a category or area, all entries will be screened by the appropriate peer group for nomination. Any entry that receives nine-tenths approval will receive a nomination.

4. Where there is a single entry, the appropriate peer group executive committee will determine whether the entry had sufficient votes to merit a nomination.

5. In the case of ties, the closest number to five will prevail, unless there are fewer than three or more than seven nominations, in which case the Primetime Awards Committee will determine the number of nominations.

5a. Ties that include the possibility of the total number of nominations being 1 number from the target number of nominations break in favor of the higher possibility, e.g., 4 or 6 breaks to 6.

5b. Ties that include the possibility of the total number of nominations being 2 numbers from the target number of nominations break in favor of the lower possibility, e.g., 3 or 7 breaks to 3.

5c. Ties that include the possibility of the total number of nominations being 3 numbers from the target number of nominations are resolved by the Awards Committee, e.g., 2 or 8 does not automatically break and must go to the Awards Committee for a final decision.

5d. In a category where the ideal number of nominations is five and the fifth and sixth top vote-getters are within 2% of each other, both are included in nomination.

**5e. In Outstanding Comedy Series and Outstanding Drama Series where the ideal number of nominations is six and the sixth and seventh top vote-getters are within 2% of each other, both are included in nomination.**

6. Nominated achievements may be withdrawn from nomination by a sole nominee or all nominated members of a team. Individual nominees on a team may withdraw themselves, but the nomination will stand as long as at least one team member remains.

7. Nominees will be announced at 5:35 AM from the Television Academy's Leonard H. Goldenson Theatre on July 10, 2014.

8. **Errors and Omissions:** Except for cases where the omission of a name is a Television Academy error, there will be a flat fee of \$250 for each individual added between July 10 and July 24. The final date for errors and omissions (including the names of eligible individuals not on the list exchanged for nominated names on the list) will be July 24, 2014.

9. Each nominee agrees that any film, tape recording, screenshot or supplemental printed material that is furnished to the Television Academy in connection with an entry may be retained by the Television Academy for file, reference and archival purposes and may be viewed partially or in its entirety for judging purposes. All of or portions (i.e. "clips") from any such film, tape recording, screenshot or supplemental printed material may be used on or in connection with the presentation and/or broadcast and/or other exhibition of any Emmy Awards Ceremony, including but not limited to any internet exhibition of such films, tape recordings, screenshots or clips from the same and/or supplemental printed material and use in connection with promotional announcements or other promotional activities for any of the foregoing; use of such films, tape recordings, screenshots or clips from the same and/or supplemental printed material shall be subject to the clearance of any parties other than the nominee that may be required.

10. Nominee tickets: Nominees who are members of the Television Academy will receive two complimentary tickets to the appropriate awards presentation and dinner. Creative Arts non-member nominees may purchase one guest ticket to the presentation and ball for \$250, Telecast non-member nominees may purchase one guest ticket to the presentation and ball for \$500, or non-member nominees may choose to join the Television Academy (membership fee \$185) and receive one guest ticket at no extra charge.

## EMMY JUDGING PANELS

1. The final judging will take place July 21 – August 14. Volunteers from the Television Academy's membership will be asked to serve as judges. A call for judges will be sent to national active Television Academy members in mid to late June.

PLEASE NOTE: For the final, at-home judging panels, members may not participate on a comedy or drama series, variety series, nonfiction series, reality or reality-competition program panel for the same category more than two consecutive years. Voters who have served for two consecutive years judging the same series program category would have to sit out a year judging that category. They may, of course, serve on any other panel for which their membership categorization allows their participation.

2. Panelists are solicited from the Television Academy's national membership.

3. No panelist may have a conflict of interest judging any of the nominated achievements.

4. National active members from all peer groups are eligible to serve on the program panels (except animated program panels).

5. Judging of individual achievement categories is restricted to peer judging (e.g., only writer members may judge writing categories, only director members may judge directing categories, etc.) unless otherwise indicated in the appendix of the rules book.

6. Peer groups determine the judging systems for their branch. Emmy judging can be a ratings-score system based on categories of evaluation, or preferential voting in which the nominations are ranked.

7. Drama and comedy series are required to submit any six eligible episodes for the judging panels. Program nomination episodes must be the usual running time of the series episodes. Extended-length episodes will count as two episodes.

PLEASE NOTE: The minimum number of episodes that need to be broadcast during the eligibility year to qualify for all series (excluding Documentary or Nonfiction Series and Animated Series) will be six.

8. The length of an episode submitted for individual achievement may exceed, by as much as double, the standard running time of the series episodes. If the episode airs in two parts, both parts must have the same episode title and may be selected (excluding Special **and** Visual Effects) as long as they do not cumulatively exceed twice the standard running time of the series episodes.

9. Upon nomination, every Emmy Award is conditioned upon the delivery of two correctly prepared DVDs of the nominated achievement to the Academy, unless otherwise indicated.

**PLEASE NOTE:** DVDs must be of acceptable quality for viewing, with correct audio and video reproduction. Unless otherwise noted, DVDs must be in the same form and content as originally broadcast, minus commercial breaks. Failure to provide DVDs will result in forfeiture of the opportunity to win an Emmy.

10. Back-up DVDs for each nominated achievement will be retained by the Television Academy for deposit in the Television Academy/UCLA television archives.

### **EMMY WINNERS**

1. All Emmy judging panel votes are tabulated by the accountants, and winners are announced at the Creative Arts Awards on August 16 and the Primetime Telecast on August 25. The Emmy will be presented to the individual(s) specifically listed with each nomination. In the event that more than one eligible individual is credited with the winning achievement, each individual will receive an Emmy.

2. The Emmy may be accepted by a designee in those cases where the awardee has died or become permanently disabled.

3. Because there are often changes in the rosters of nominees between the nomination press release and the winner press release, the winner press release will be considered the final and definitive source of winner information.

### **RULES FOR THE PROTECTION OF THE EMMY® STATUETTE**

1. The Emmy® statuette is the property of and all rights are reserved by the Academy of Television Arts & Sciences.

2. The Emmy® statuette may not be reproduced or used in any commercial manner unless otherwise permitted by the Academy, it being understood that possession of the same is solely for the benefit of the recipient and the recipient's heirs or successors in interest.

3. If a recipient or the recipient's heir or successor in interest proposes to sell or otherwise dispose of the Emmy® statuette, such persons shall be obligated to return the statuette to the Academy of Television Arts & Sciences which will retain the same in storage in memory of the recipient.

### **CERTIFICATES, CITATIONS AND COMMEMORATIVES**

1. **Nomination Certificates**  
Nomination Certificates are provided to all nominees.

2. **Production Certificates**  
Production Certificates may be purchased by the producer(s) or executive producer(s) of Emmy-winning programs in recognition and appreciation of those individuals who materially contributed to the Emmy-winning program.

3. Craft Citations

Citations may be requested by Emmy-winning individuals in recognition and appreciation of those individuals - generally assistants - who materially contributed to the Emmy-winning achievement.

4. Commemorative Emmys

Commemorative Emmy Awards can be ordered on behalf of the studio, production company, or network that was principally involved with the winning program or individual achievement. Commemorative Emmys cannot be ordered for individuals. (Generally, a total of three commemorative Emmys may be ordered per win.)

The intent of issuing commemorative Emmys is to give studios, production companies and networks the opportunity to display, in a corporate or public space, the Emmy Awards for programs that they produced or broadcast.

All commemorative Emmy orders are subject to the approval of the Primetime Awards Committee.

2013 – 2014 PRIMETIME EMMY® AWARDS

CATEGORIES

AREAS

JURIED AWARDS

## AWARDS DEFINITIONS

1. Category

The definition of a category award is a single, must-give award that is the result of head-to-head competition with the highest vote-getter receiving an Emmy.

2. Area

An awards area is non-competitive. Each nomination is considered on its own terms without regard to the other nominations in the area. The voting procedures for area awards are listed under each specific area award.

3. Juried

In a juried award, all entrants are screened by a jury of appropriate branch members and one, more than one or no entry is awarded an Emmy. There are no nominations. The winner(s), if any, are announced prior to the awards presentation. Deliberations are open and arguments pro and con the giving of an Emmy to an entrant is discussed. At the conclusion of the deliberation on each entry, the jury votes on the question, "Is this entry worthy of an Emmy award - yea or nay? **(and, as with all parliamentary-procedure votes, there is the option to abstain)**. Only those with unanimous approval win. If there is a single dissenter in a panel comprised of no more than twelve jurors who cannot be convinced to change his/her vote, the chair may rule that the award will be given in spite of that single dissent. Two dissenters in a panel comprised of **13 to 24 jurors** may be over-ruled (with a single dissenter added to each increment of twelve, e.g., three for a panel of **25 to 36 jurors**, four for a panel of **37 to 48 jurors, etc.**).

4. Rule of Fourteen

If for two consecutive years the Board of Governors identifies that there are (or would have been had the category been in place) fourteen or more entries that define such a significant, specialized and distinct achievement that they no longer are represented adequately within an existing category, they may, at their discretion, separate these entries into a new category.

If for two consecutive years there are less than fourteen entries in an existing category, they may, at the Board's discretion, be combined into a related category (which, in consultation with the applicable peer group, could become an area).

## ENTRY INSTRUCTIONS

**Deadlines:** Entries will be accepted online until **April 25, 2014**. All entries, whether the program has already aired or will air between April 25 and May 31, **MUST** be entered by April 25. All entrants must upload a photo of the animated character(s).

Voice-over entrants who do multiple voices in a single episode or a special are not required to enter all voices, but may do so on a single entry.

**Category 3 OUTSTANDING ANIMATED PROGRAM**

For a single episode of a series or for a special

Emmy(s) to the producer(s) whose credit is Executive Producer, Co-Executive Producer, Supervising Producer or Producer, and who is responsible for all creative phases of the animation production process from pre-production to post-production; the writer(s) whose credit is "story by," "teleplay by" or "written by;" the director(s) and the individual(s) principally responsible for slugging the storyboards and timing the sheets. All eligibility is subject to approval by the animation peer group executive committee.

During each eligibility period, all eligible, credited writers of animated programs who qualify for an animation program award are considered as one of the group of participants who are entitled to receive the Emmy(s) for any such program. The team includes writers, producers and directors.

However, any eligible writer may elect to opt out from being such a team participant and instead may enter the competition in any applicable individual achievement writing category. For example, a writer on an animated comedy series may choose to enter in the Writing for a Comedy Series category rather than with the animated program team, and a writer on an animated special may choose to enter in the Writing for a Miniseries or Movie category.

Likewise, any eligible writer on any other series episode may choose to enter in an appropriate writing category.

Please note that per the "one-achievement, one-entry" rule, a writer may not have dual eligibility in both animation and writing categories for the same episode or special, i.e., no "double dipping." However, a writer who is eligible in the program category may enter a different episode from the same series in a writing category without having to opt out of the program category.

Writing teams (two or more writers of the same episode or special) must remain a team and may not split their entry.

Clarification: In cases where the entry was created by a separate show runner and production house, numerical caps shall be set for those directors, writers and producers eligible on the episode or special chosen for entry, as follows:

- a maximum of four directors
- a maximum of three writers
- a maximum of fourteen producers

The total number of entrants is capped at 21 without restrictions based on a producer's employer (either the production company or the animation house) - with all eligibility subject to approval by the animation peer group executive committee. And because some producers may contribute to the entry as writers, the show-runner making the entry may list them as "producer/writer" among the three writing slots, with those producer-writers who did not contribute to writing the entry entered among the fourteen slots for the producers.

PLEASE NOTE: The nomination slots in the Animated Program category have two tracks – half-hour programs and hour or more programs.

The number of nominations will be proportionate according to the entries received for each track with the caveat that there will always be one slot reserved for the highest vote-getter among the hour or more programs. However, if there are zero votes in the one hour or more track, all nominees will emerge from the half-hour track.

In general, this category will have five nominations but may have more if there is a tie, in either track, among the highest vote-getters.

[Please see rule 5 under Nomination Procedures for the full explanation of ties.]

**Nomination requirement: A digital upload will be requested at the point of nomination (July 10).**

**Category 4 OUTSTANDING SHORT-FORMAT ANIMATED PROGRAM**

This Category is open to original Short-format Primetime Animated Programs having an approximate running time of 15 minutes or less. For web-based programs, the animated content is typical to primetime audiences rather than daytime children's audiences.

Emmy(s) to the producer(s) whose credit is Executive Producer, Co-Executive Producer, Supervising Producer or Producer, and who is responsible for all creative phases of the animation production process from pre-production to post-production; the writer(s) whose credit is "story by," "teleplay by" or "written by;" the director(s) and the individual(s) principally responsible for slugging the storyboards and timing the sheets. All eligibility is subject to approval by the Animation Peer Group Executive Committee.

Additionally, in some cases entries in this category may be reviewed and approved as appropriate for this category (as opposed to the Daytime Short Form Programming Category maintained by National Academy of Television Arts & Sciences) by the Award Committees of the Television Academy and of the National Academy of Television Arts & Sciences; any entry which is not approved by the Animation Peer Group Executive Committee and, if applicable, is not mutually approved by the Award Committees may not be entered in this category. The decision of the Executive Committee and, if applicable, the Awards Committees is binding on the entrant.

During each eligibility period, all eligible, credited writers of animated programs who qualify for an animation program award are considered as one of the group of participants who are entitled to receive the Emmy(s) for any such program. The team includes writers, producers and directors.

However, any eligible writer may elect to opt out from being such a team participant and instead may enter the competition in any applicable individual achievement writing category. For example, a writer on an animated comedy series may choose to enter in the Writing for a Comedy Series category rather than with the animated program team, and a writer on an animated special may choose to enter in the Writing for a Miniseries or Movie category.

Likewise, any eligible writer on any other series episode may choose to enter in an appropriate writing category.

Please note that per the "one-achievement, one-entry" rule, a writer may not have dual eligibility in both animation and writing categories for the same episode or special, i.e., no "double dipping." However, a writer who is eligible in the program category may enter a

different episode from the same series in a writing category without having to opt out of the program category.

Writing teams (two or more writers of the same episode or special) must remain a team and may not split their entry.

**ELIGIBILITY RULE:** In cases where the entry was created by a separate show runner and production house, numerical caps shall be set for those directors, writers and producers eligible on the miniseries, movie or special chosen for the entry, as follows:

- a maximum of four directors
- a maximum of three writers
- a maximum of fourteen producers

The total number of entrants is capped at 21 without restrictions based on a producer's employer (either the production company or the animation house) – with all eligibility subject to approval by the animation peer group executive committee. And because some producers may contribute to the entry as writers, the show-runner making the entry may list them as "producer/writer" among the three writing slots, with those producer-writers who did not contribute to writing the entry entered among the fourteen slots for the producers.

**Nomination requirement: A digital upload will be requested at the point of nomination (July 10).**

PLEASE NOTE: Nominations for category 3 and 4 will be determined by the votes of the members of the animation branch. Members of other branches, whose production credits would ordinarily give them hyphenate voting status in animation, will not receive the nominating ballot, although they may transfer their membership to the animation peer group by April 17 in order to receive the animation ballot.

Members of the animation branch and animation hyphenates will receive invitations to serve on the at-home panels that pick the Emmy recipients, with the understanding that those who would have a conflict of interest judging the nominations would not be impaneled.

The animation content of either a fully animated or animation and live-action program must be at least 65% new animation to qualify the program for entry in an animation program category.

An eligible individual making the entry may choose to enter an animated program in a category either according to medium (animation) or content (comedy, drama, etc.).

If entered in a live-action program category, producers and the animation director credited on the episode chosen for the Emmy Judging Panel screening are Emmy-eligible. Writers enter separately in an appropriate category, e.g., if the program enters the comedy series program category, the writers enter the comedy series writing category.

Animated series are nominated for a single episode. If entered in an animation program category, only those producers, directors and writers credited on the episode chosen for screening are Emmy-eligible.

**ART DIRECTION AWARDS**

Emmy(s) to production designer(s), art director(s) and set decorator(s), if applicable.

NOTE: The initial entry may be submitted by any team member and must include the whole team.

An individual or the identical team may enter multiple achievements in an art direction category if the achievements are for different programs.

The Peer Group Executive Committee will review all screen credits for entrant eligibility on submitted programs. All eligibility is subject to final and definitive review by the PGEC to determine principal creative contributions. The decision of the PGEC with the concurrence of the Primetime Awards Committee is definitive and final.

Entries are capped at a maximum of three entrants for conventional domestic programming (with prior team eligibilities of more than three entrants not allowed to grandfather into current team eligibility). Proposed additional entrants for an entry beyond the cap of three will be considered on an individual basis by petition to the PGEC by the Production Designer or Art Director (if no Production Designer is credited). A Petition Form provided by the AD/SD Peer Group must be filled out in its entirety. Petition entries with incomplete or missing information will not be considered

Any petitions for additional entrants must be received by the PGEC BEFORE nominees are announced. Petitions received after nominations are announced will not be considered.

PLEASE NOTE: All Art Direction Awards are area awards. An Area Award is non-competitive. In the final judging round each nomination is considered on its own terms without regard to the other nominations in the area. Any nomination with at least 90% approval receives an Emmy. If none of the nominations receives 90% approval, the nomination with the highest approval receives the Emmy.

### **Category 38** OUTSTANDING INTERACTIVE PROGRAM

Emmy(s) to producer(s), organization(s) or team(s) responsible for an outstanding **overall** interactive experience associated with a linear program or an original interactive program.

Awarded for creative excellence in the interactive media components of a program or series, including programming and features that provide access to additional information, extend plots or characters into the interactive realm, create cross-platform environments, or contain elements facilitating individual or community participation and interaction.

**This category recognizes the interactive experience for a program. It does not recognize interactive platforms, such as electronic program guides, on demand or time-shifted content viewing applications, etc.**

**Note: Programs that only provide a passive, linear viewing experience will not be considered in this category. (See Short-Format Program categories 77 and 78 for short form linear programs.)**

Entries are limited to a maximum of five entrants.

### **REQUIRED ENTRY MATERIALS (Category 38):**

**Written Description:** Is required at the time of entry. The description should be 1000 words or less and should include discussion of:

- The Program - A brief background of the linear content that is the anchor or source material for the interactive piece.
- The Goals - A description of the overall goals and strategy of the interactive piece.
- The Interactivity - An explanation of the features, functionality and user experience of the interactive piece.

If you wish to include URLs/links to websites, microsites, etc. as additional supporting material, these should be included in this written description.

**Video Upload:** A Video Demonstration no more than three (3) minutes in length is required. Please see requirements on page 35. **Please note:** Entrants will be notified regarding video and PDF upload instructions at a later date.

### **OPTIONAL ENTRY MATERIALS (Category 38):**

A **Supporting Document** of additional visual materials. This should be a single PDF file containing visual elements such as wireframes, flow diagrams, screenshots, design comps, etc. that you feel further illustrate the goals, experience and execution of the project.

URLs/links should not be included in this PDF.

### **Juried 39 OUTSTANDING CREATIVE ACHIEVEMENT IN INTERACTIVE MEDIA**

(One, more than one, or no award given.)

The areas of competition for this category recognize specific disciplines within interactive media. Each entry in each of the four areas of competition is limited to a maximum of five entrants. Entrants may be individuals and/or companies.

Please read carefully the descriptions of the four areas of competition below to determine which is the most appropriate for your entry.

### **39a. Multiplatform Storytelling**

Emmy(s) to the individual or creative team responsible for the creation of story-driven audience interactive experiences related to, or integrated with, a linear program. Such experiences must exist on at least one additional platform beyond the linear platform, complementing the storyline of the program, and require active input from the audience that interacts with and influences/is influenced by the story world of the program.

Examples of interactivity may include such features as: behind-the-scenes dialogue with creators, exchanges with characters, activities that unlock content and drive story forward or provide back story or richer mythology, social collaboration and interactive ancillary content.

Platforms which enable interactivity may include: Mobile (Smartphone or Tablet), Computer, Over-the-Top set-top box or Console, or Internet-Connected/Smart TV.

### **39b. Original Interactive Program**

Emmy(s) to the individual or creative team responsible for the creative excellence of a wholly original, standalone interactive media program or series. In these productions, the interactive components are integral to the work, and emphasize immersion and engagement in the storyline of the program itself.

Examples include such elements as:

- Crowd-sourced and/or user-generated narratives
- Interactive story competitions, user-developed story lines, or other breakthrough uses of interactive narrative
- Digital media applications that drive story immersion, engagement, or other enhancements in narrative, character development and settings related to the original program.

**Note: Such storytelling experiences *may not* be derivative of, or related to, an existing linear program or series, and must stand on their own in terms of storytelling, characters and setting. Programs that only provide a passive, linear viewing experience will not be considered in this category. (See Short-Format Program categories 77 and 78 for short form linear programs.)**

### **39c. Social TV Experience**

Emmy(s) to the individual or creative team responsible for the creation of a **synchronous or asynchronous** social experience that supports audience communication and interaction for a linear program or **an original interactive program**. Such experiences extend the program into the fan community, emphasizing the use of social media platforms and/or original online features, tools or apps that harness social interaction. Entries provide opportunities for audience members to interact with each other in an experience created specifically for a show, sharing unique information, interactions and reactions to the show's content and characters, and going beyond interactive features natively available on the social platform(s).

Examples of interactivity include such features as: text chat/comments, voice/video communication, sharing of content, contextual awareness, recommendations, ratings, quizzes and polls.

### **39d. User Experience and Visual Design**

Emmy(s) to the individual or creative team responsible for the creation of an outstanding user experience **and visual** design of an interactive media experience supporting a linear program or original interactive program. **Awarded for creative excellence in** information design, interaction design, interface design, visual design and graphics for the interactive features of the content presented in the experience. Ultimately, winning entries provide superior usability and **design** on the intended platform(s) for the interactive experience.

Examples of interactivity include such features as: text chat/comments, voice/video communication, sharing of content, contextual awareness, recommendations, ratings, quizzes and polls, as well as others.

**REQUIRED ENTRY MATERIALS (Juried 39):**

**Written Description:** Is required at the time of entry. The description should be 1000 words or less and should include discussion of:

- The Program - A brief background of the linear content that is the anchor or source material for the interactive piece.
- The Goals - A description of the overall goals and strategy of the interactive piece.
- The Interactivity - An explanation of the features, functionality and user experience of the interactive piece.

If you wish to include URLs/links to websites, microsites, etc. as additional supporting material, these should be included in your Written Description.

**OPTIONAL ENTRY MATERIALS (Juried 39):**

A **Video Demonstration** no more than three (3) minutes in length. The video requirements are described below.

A **Supporting Document** of additional visual materials. This is a single PDF file containing visual elements such as wireframes, flow diagrams, screenshots, design comps, etc. that you feel further illustrate the goals, experience and execution of the project.

*Neither Video Demonstration nor the Supporting Document is required for Juried Awards. Entrants may choose at their discretion to include one, both, or neither.*

**VIDEO REQUIREMENTS (required for category 38, optional for juried 39):**

Entrants must submit a video demonstration of no more than three (3) minutes in length. **Any video longer than 3 minutes will not be accepted.**

The purpose of the video is to provide a walkthrough of the actual audience experience for benefit of the Interactive Media Peer Group voters. The video should be focused on illustrating a typical user scenario, showing design, audience flow, and interactivity of the entry. The demo should emphasize interactivity (tasks, content contribution, social media integrations, augmented reality, etc.) that furthers audience involvement in the world of the linear program and, in some cases, with each other.

The Interactive Media Peer Group Executive Committee will apply a strict review standard for each submitted video to ensure that it contains a true demonstration of the key features and typical user experience of the project, and is not a promotional, marketing, sales or sizzle video.

It is strongly recommended that entrants limit the degree of production "slickness" that has crept into entries in recent years – including the gratuitous use of elements and techniques that do not directly support the demonstration of the audience's interactive experience. Video submissions that appear to be primarily marketing or promotional trailers for the program will also be disqualified.

In particular, your video should limit non-relevant use of:

- Music and Sound FX – some music and sound FX are permitted, so long as they serve the demonstration, or are integral to the interactive experience itself.
- Show clips and talent participation – avoid using talent or show clips in any way that does not directly relate or pertain to the interactive experience. For example, using the star of the linear program to narrate the demonstration is acceptable; isolated shots of the star from the linear program purely for entertainment purposes are not.

- Motion Graphics – avoid using motion graphics for other than simple titling, unless they are within or are part of the interactive experience, or are required to illustrate the experience.

Videos will be strictly held to the technical formatting requirements defined in Video Technical Specifications below.

Remember, this is not about selling your product, but to show a clear and accurate representation of the interactive media experience. Your work should speak for itself! Any video not adhering to these requirements will be rejected and the entry will be disqualified unless replaced by a video that does comply.

**UPLOAD INSTRUCTIONS: Entrants will be notified regarding video and PDF upload instructions at a later date.**

**VIDEO TECHNICAL SPECIFICATIONS:** Video Demonstrations submitted with entries as described above must be in one of the following acceptable digital video formats:

**File Extension File Format**

.mp4, .f4v	H.264 (MPEG-4 Part 10), MPEG-4 Part 14 (recommended)
.mov	QuickTime multimedia format
.avi	Windows video format
.ogv	Ogg video container format (used in some HTML5 video)

Entries will be transcoded into the MP4 media type to be displayed by our secure, online Brightcove Video Player that will be used during Peer Group and Jury review and balloting.

Depending on a clip's original proportion (aspect ratio), it will be scaled to fit our player marquee: 4:3 clips will be sized at 720x540 pixels and 16:9 clips will be 960x540 pixels. It is recommended that you submit your original video at one of these two sizes, based on your preferred display aspect ratio, for best results.

Clips should be encoded at the highest possible quality that results in a file size of **less than 2GB**, the maximum allowable upload size. Bit rates need not exceed 10 Mb/sec (megabits per second) as our transcoded rates will be in the 3 Mb/sec range.

Quicktime MOVs as well as MPEG4 (.mp4) file types compressed with the H.264 codec are strongly preferred.

Deinterlacing your source video when compressing into a lossy compressor is highly recommended. We cannot remove field artifacts once they are rendered into a clip as they are no longer available as individual fields within a single file.

**Final Compression Settings and Formats:** Uploaded clips are transcoded to the following format settings. Clips submitted within these specifications should not require transcoding.

<b>Media type</b>	MPEG4 (.mp4) files
<b>Compressor family</b>	H.264
<b>Deinterlacing</b>	"on" / Field dominance set appropriate to source
<b>Bit Rates</b>	3 Mb/sec (2808K for video / 192K for stereo audio)
<b>Frame Size</b>	4:3 aspect ratio = 720x540 pixels 16:9 aspect ratio = 960x540 pixels

<b>MAKEUP AWARDS</b>
----------------------

Emmy(s) to makeup artist(s)

An individual may enter as either a makeup artist or hairstylist, but not both.

An individual or the identical team may enter multiple achievements in a makeup category if the achievements are for different programs.

**Definition of makeup for Emmy recognition:**

Makeup is any change in the appearance of a performer's face or body created by the application of cosmetics, three-dimensional material, facial hair goods, and/or prosthetic appliances applied directly to the performer's face or body using an appropriate adhesive, such as Spirit Gum, acrylic emulsion (Prosaide or Beta Bond) and/or silicone based glues. Static/non-pliable masks, whether adhered to the face or not, do not meet the criteria of this category. Makeup is not changes caused by special lighting, camera lenses, optical effects or computer imaging. It is not puppets or any device that is not on the performer's face or body.

**Eligibility clarification:**

To be eligible, the makeup artist(s) must have been the makeup artist(s) most responsible for the overall look of the achievement being recognized and involved with hands-on application, on the performer, of the makeup achievement being recognized.

**Entrants:** ALL submissions, whether entered by artist team members or producers, etc. is required to be signed by the Makeup Department Head. Each submission will consist of no more than two entrants, including the Makeup Department Head, with the following exceptions:

a.) A Makeup Artist Department Head, showing just cause, may petition the Peer Group Executive Committee to allow the submission of up to four additional makeup artists he/she feels have contributed significantly to the achievement and deserve nomination. All submissions are to include the clear title; i.e., Department Head Makeup Artist in every case, Co-Department Head Makeup Artist, Assistant Department Head Makeup Artist, Key Makeup Artist, Additional Makeup Artist, Makeup Artist or Personal Makeup Artist (star request) next to the entrant's name. All entrants must be verified by a Department Head in writing. In the case of a Co-Department Head, only one Department Head may verify. In the case of prosthetic makeup the following credits are eligible: Prosthetic Designer, Special Makeup Effects Artist, Additional Makeup Effects Artist, Makeup Effects Artist, Special Makeup Effects Department Head and Special Makeup Effects Assistant Department Head.

b.) In the case of specially manufactured prosthetics, the individual(s) (maximum of two) directly responsible for the design and completion (not including manufacture) of the prosthetic will also be eligible in Area 46, as verified by the Makeup Department Head.

c.) In all cases, for eligibility, additional entrants will have to go through the vetting process and be verified by the Television Academy and the Makeup Artist Governor. In the case of a question or dispute regarding an individual's eligibility, the PGEC will decide the issue by a vote via e-mail. A majority vote will prevail.

**Series episodes:** The length of the episode submitted for individual achievement may exceed, by as much as double, the standard running time of the series episodes. If the episode is in two parts, both parts may be selected as long as they do not cumulatively exceed twice the standard running time of the series episodes.

**Miniseries:** Makeup artist(s) credited on all miniseries parts will enter for the complete miniseries and the Emmy judging DVD will be for the complete miniseries. For makeup artist(s) credited with one or more but not all miniseries parts, eligibility is for one miniseries part; and the Emmy judging DVD is for one miniseries part.

Eligibility is subject to the final and definitive review by the Peer Group Executive Committee in concurrence with the Primetime Awards Committee.

If the entry contains footage from previously aired material of the current or prior awards years, a description must be attached with the entry.

Entrants will be asked to submit a 75-word or less statement of the technique employed in the execution of the entry, specific to the category being entered. Please do not include references to FX, makeup, hair or procedures within your tech description that have no bearing on the category for which you've submitted. Any portion of a submission that does not conform to the category in which it is submitted must be clearly disclosed in the tech description. Put simply, if an artist has a prosthetic transfer(s), or any other prosthetic(s) applied in conjunction with non-prosthetic character work, and they wish to keep their submission in a non-prosthetic category, they then must submit a disclaimer to that fact, so that voters will discount the prosthetic part of the makeup when voting. If not, the entire entry should be considered a prosthetic entry and placed in Area 46.

**Category 43 OUTSTANDING MAKEUP FOR A SINGLE-CAMERA SERIES (NON-PROSTHETIC)**

For a single episode of a comedy, drama or nonfiction series

**Category 44 OUTSTANDING MAKEUP FOR A MULTI-CAMERA SERIES OR SPECIAL (NON-PROSTHETIC)**

For a single episode of a comedy, variety, reality or reality-competition series, or a variety or live special

**Category 45 OUTSTANDING MAKEUP FOR A MINISERIES OR A MOVIE (NON-PROSTHETIC)**

**Area 46 OUTSTANDING PROSTHETIC MAKEUP FOR A SERIES, MINISERIES, MOVIE OR A SPECIAL**

For a series, miniseries (as credited on one or more than one episode), a movie, or a special

A "Prosthetic" is any 3 dimensional appliance, including transfers, that have been prepared in advance from a mold and applied to the actor to change his/her appearance and/or give character to the makeup. It could be as small as a scar or wound, or as large as full facial pieces and/or body parts.

An "Out of kit" effect is: any material that can be "sculpted" and or painted on the spot, without a mold, and applied directly to the actor.

PLEASE NOTE: An Area Award is non-competitive. In the final judging round each nomination is considered on its own terms without regard to the other nominations in the area. Any nomination with at least 90% approval receives an Emmy. If none of the nominations receives 90% approval, the nomination with the highest approval receives an Emmy. There is the possibility of one or more than one Emmy awarded.

<b>MUSIC AWARDS</b>
---------------------

Nominations in the music categories are determined by screening committees from the music peer group.

Submissions can be made by the individual or creative team seeking an Emmy nomination ONLY. No producer or awards representative submissions.

Multiple entries: An individual or the identical team may enter up to two entries per category if the entries are for different programs.

All entries for categories 47 (music composition - series), 48 (music composition – long-form), 50 (music and lyrics) and 51 (main title theme music) must have originated with the credited composer(s) and/or lyricist(s), and must have been created specifically for an eligible program as defined previously in Criteria for Eligibility with no prior usage (including public performance or exploitation), through any other media. If sampled musical phrases are mixed together to form the entire work, and a single phrase or phrases are perceived as the main character of the composition or theme, that entry is ineligible.

In all categories, the eligibility recommendation to the Primetime Awards Committee will be at the sole discretion of the Music Peer Group Executive Committee, and an entry may be disqualified at any time during the contest period if that entry is found to be ineligible, substantially unoriginal, or in categories 47 and 48, is deemed to be less than a substantial body of music in the form of dramatic score.

As a condition of submitting an entry in all music categories, each entrant who is a member of the Television Academy, agrees to serve on a home viewing panel during both the first round, nominating phase of the competition, and the second final Emmy judging round. No panelist will be required to view and judge more than ten hours of entries in either round. An entrant may submit a request to the Music Peer Group Executive Committee to be excused from serving as a judge if unusual or unexpected circumstances arise immediately before or during either of the judging periods.

Since Music Peer Group members agree to serve on judging panels as a condition of entry into the competition, and since all entries submitted by both members and non-members are viewed by those panels to determine the nominees, non-members are only allowed to submit entries in any two award years during a five year period.

Non-members who wish to submit a third entry within a five year period must apply for Music Peer Group membership. Only non-members who do not meet the qualifications for membership will be allowed to submit an entry in a third year. Please note that all previous Emmy nominees are automatically qualified for membership under Television Academy membership rules.

The entries for categories 47 (music composition - series), 48 (music composition - long-form) and 49 (music direction) must submit ten DVDs of the complete program and ten copies of complete cue sheets, which clearly list all music cues and their composer(s) and/or lyricist(s). An incomplete or unclear cue sheet could result in disqualification of the entry. The DVDs must be in the same form and content as originally broadcast, minus commercial breaks.

**DVD REQUIREMENTS FOR MUSIC SUBMISSIONS:**

**Ten DVDs (not copy protected)** of the **program, episode or miniseries part** must be submitted by the entry deadline (April 25) for the following three music categories. Please do not include bars and tones, and replace all commercials and other interstitials with **2-5 seconds** of black.

Category 47 - Music Composition for a Series (Original Dramatic Score)

Category 48 - Music Composition for a Miniseries, Movie or a Special (Original Dramatic Score)

Category 51 - Original Main Title Theme Music

**LABELS:** Please label the DVDs with the program title, category title and, for music and lyrics, the song title. Please also indicate the picture format.

**PICTURE FORMAT:** Picture must be submitted as 4x3, Letterbox or 16x9, if your show originally aired in that format. Picture formats must be properly labeled on the DVDs.

Additionally, category 49 entrants must complete the Music Direction questionnaire, which is part of the online music entry form.

**Category 47 OUTSTANDING MUSIC COMPOSITION FOR A SERIES (ORIGINAL DRAMATIC SCORE)**

For a single episode of a regular series

An original dramatic score is a substantial body of music written specifically for the program by the submitting composer(s).

Emmy(s) to credited composer(s)

The Emmy is intended to be an award for individual achievement. In the case of submissions entered by co-composers, or a team of composers, the "substantial body of music" rule will be used to validate the eligibility of all additional individual entrants, based on the cue sheet that has been submitted with the entry, and if necessary, a questionnaire, which will be provided after the entries are received and verified by the Television Academy.

For a single episode of a miniseries, movie or a special

An original dramatic score is a substantial body of music written specifically for the program by the submitting composer(s).

Emmy(s) to credited composer(s)

In the case of submissions entered by co-composers, or a team of composers, the "substantial body of music" rule will be used to validate the eligibility of all additional individual entrants, based on the cue sheet that has been submitted with the entry, and if necessary, a questionnaire, which will be provided after the entries are received and verified by the Television Academy.

**Category 49 OUTSTANDING MUSIC DIRECTION**

For a single episode of a regular series, movie, miniseries, or special, whether it is variety, music or cultural programming.

Emmy(s) to the music director

Principal arrangers and assistants are ineligible. Music direction involves arranging and orchestrating, composition, supervision of rehearsals and recordings and conducting both live and pre-recorded material. It is the responsibility of the music director to bring the program into a unified whole by making or supervising the following: composing, transitions, themes or underscore, arranging original or pre-existing material for the given orchestra or band, rehearsing the performers and overseeing music that needs to be pre-recorded. In many cases, the music director will also assist in the post-production mixing of the music for the show.

**PLEASE NOTE:** This category excludes from eligibility:

- Music Supervisors
- The conductor of a concert or symphonic program being telecast
- The conductor of a program which is eligible to be, or is entered in, either of the dramatic underscore categories
- The composer who conducts his own dramatic underscore for a program which is eligible to be, or is entered in, either of the dramatic underscore categories

However, the composer of a musical (a program substantially comprised of songs) who is also its musical director may enter in either a music composition category or in music direction but may not enter in both categories.

**Category 50 OUTSTANDING ORIGINAL MUSIC AND LYRICS**

For an original song (which must include both music and lyrics), whether for a single episode of a regular series, miniseries, movie or a special. Both music and lyrics must be clearly audible and intelligible, and there must be a substantive rendition (not necessarily visually presented) of both lyric and melody.

In the case of submissions entered by co-composers/lyricists, or a team, a Music and Lyrics questionnaire, which will be provided after the entries are received and verified by the Television Academy, may be used to validate the eligibility of all additional individual entrants, in addition to the cue sheet that has been submitted with the entry.

Emmy(s) to credited composer(s) and lyricist(s)  
Arrangers, assistants and associates are ineligible.

Submitted DVDs should include the song and enough additional footage before and after the song to give the judges a sense of its context, along with a brief log line of the scene where the song appears.

NOTE: Eligibility in category 50 is limited to songs written expressly for, and first performed in a program during the current eligibility year. Main title theme songs composed for a continuing series must enter in category 51, Main Title Theme Music.

**Category 51 OUTSTANDING ORIGINAL MAIN TITLE THEME MUSIC**

For a main title of a continuing series or miniseries originally aired during the current eligibility year.

In the case of submissions entered by co-composers/lyricists, or a team, a Main Title Theme Music questionnaire, which will be provided after the entries are received and verified by the Television Academy, may be used to validate the eligibility of all additional individual entrants, in addition to the cue sheet that has been submitted with the entry.

Emmy(s) to credited composer(s) and/or lyricist(s)  
Arrangers, assistants and associates are ineligible

Eligible submissions must be at least 15 seconds in length. Submitted DVDs should include the full main title at the top of the show and approximately the first minute of any episode, along with a brief log line of the nature of the show for context.

Main title theme songs must enter in the Main Title Theme Music category.

**Please note: Nominating procedures for music and lyrics and main title theme music categories:**

- **When five or more entries receive a voting score of 75% or above, there will be a total of five nominees.**
- **When only four entries receive a voting score of 75% or above, there will be a total of four nominees.**
- **When only three entries receive a voting score of 75% or above, there will be a total of three nominees.**
- **If there are no entries that receive a voting score of 75% or above, then the three highest vote-getters (regardless of voting score) will emerge as the three nominees.**
- **There will never be fewer than 3 nominees.**
- **Ties may result in additional nominee(s).**

**PERFORMER AWARDS**

**ENTRY INFORMATION:** It is the decision of the entrant whether to enter as a lead or supporting performer. Series performers should enter according to their lead or supporting place in the body of work aired during the eligibility year. However, only those performers with "guest star" billing, or who are contracted as such, may enter in a guest performer category. While the performer's choice is generally approved, the Primetime Awards Committee determines the final category eligibility. All performers must enter categories that follow the categorization of their shows, e.g., if a show is entered as a comedy series, all performers must enter comedy series categories. Following up on the above example, this placement rule would hold true even if the episode being entered is a "dramatic" rather than a "comedic" episode.

A performer may enter multiple achievements in a performing category if the achievements are for different programs.

**PHOTO REQUEST:** By the entry deadline (April 25), all performers and hosts have the option of uploading a headshot. Headshots will appear next to the entrant's name on the ballot. Performers and Hosts will also be asked to separately upload a high-quality, color headshot for the July 10 televised Emmy nomination announcements and website posting purposes. An e-mail will be sent to the entrant with specific instructions.

Guest performers must provide a 50 word or less log line of their storyline from the ONE episode chosen for entry. Guest performers must have "guest star" billing or be contracted as such. If the Television Academy is unable to verify billing, documentation will be requested.

**SUPPORTING PERFORMERS IN MOVIES OR MINISERIES: The minimum on-screen time for eligibility in the supporting performer categories for movies or miniseries is 5% of the total running time of a movie or a complete miniseries.**

Performers in comedic children's series may enter the comedy series performer categories; performers in dramatic children's series may enter the drama series performer categories.

Series regulars on sketch comedy shows may enter in either Supporting Actor in a Comedy Series or Supporting Actress in a Comedy Series and guest hosts may enter in either Guest Actor in a Comedy Series or Guest Actress in a Comedy Series.

Puppeteers may enter as a team (voice + manipulation) in the voice-over category or in a performer category according to the sex of their character.

Voice-over performers enter in the **character** voice-over category **and narrators enter in the narrator category.**

Performers on classical music dance programs (whose names are not in the program title) are not eligible in special class program.

A brief and/or single cameo appearance is not eligible for entry.

**VARIETY PERFORMERS:** There is no longer a category for individual performance in a variety program. <b>SPECIAL AND VISUAL EFFECTS AWARDS</b>
--

The Special and Visual Effects Emmys are awarded to recognize outstanding achievement and innovation in the art of both digital Visual Effects and mechanical Special Effects.

**Category 95 OUTSTANDING SPECIAL AND VISUAL EFFECTS**

This award is to honor the overall achievement of the special visual effects within effects driven programs or series episodes where special visual effects are routinely present, essential to the storytelling, easily identifiable, and could not have been produced without the integration of special visual effects into the production.

Programs in this category could include shows dealing with space travel, supernatural, creatures, fantasy themes, super hero powers, and/or CG or puppeteered creatures, etc., and have extensive use of computer graphics, virtual sets (environments, which are created almost entirely in the computer, and could include performers shot on green or blue screen), and large-scale pyrotechnic and mechanical special effects.

**Category 96 OUTSTANDING SPECIAL AND VISUAL EFFECTS IN A SUPPORTING ROLE**

This award is to honor the overall achievement of the special visual effects in programs or series episodes, where those effects are used on a more modest scale, play a supporting role

contributing to the storytelling, and are often photorealistic and invisible to the viewer. A supporting program may include set extensions, (the creation, enhancement or augmentation of a practical location or physical set), sky replacements, atmospheric phenomenon, scientific visualizations, crowd replication, fire, smoke elemental enhancement, and similar effects. Supporting SVE programs use their effects more sparingly to help create the setting, environment, or mood of a given scene, or to illustrate a scientific principle, but the program does not require the use of special visual effects to tell the story.

**RULES AND PROCEDURES FOR BOTH CATEGORIES:**

Programs may enter individual episodes in either category, regardless of program length or number of episodes that aired, providing that the program meets the criteria of the category. However, an "effects driven" program (as described above in Category 95) may not enter their invisible or supporting effects in Category 96.

**Programs may submit up to two episodes per category, provided that each of the nine named entrants for each episode are completely different.**

The Special Visual Effects Peer Group Executive Committee (PGEC) reserves the right to change an entry's category or disqualify it, should they feel that the entry was submitted in the wrong category.

Fully animated programs and main title sequences are not eligible in either Category 95 or 96.

**Please note:** As part of the entry vetting process, the Special Visual Effects Peer Group Executive Committee may disqualify any entry from competition which clearly does not represent state-of-the-art work in the special visual effects field and does not exhibit the level of excellence expected in Emmy nominees in these categories. An entry may only be removed by a majority vote of PGEC members present at the vetting session. PGEC members who are in competition with their own entries may not vote. If an entry is removed from competition, the entry fee will be refunded.

Nominations are determined by a panel of volunteers from the SVE Peer Group who attend a screening of all PGEC vetted entries within each category. Winners are determined by vote open to the entire membership of the SVE Peer Group via an "at-home" online viewing of the nominated entries.

Emmy statues are awarded to the principal contributors directly involved with and primarily responsible for the visual effects achievement.

Up to nine individuals may be included on the entry however; the following rules and guidelines apply:

- An entry may include no more than four Visual Effects Supervisors and/or Visual Effects Producers total, among the nine entrants.
- Any entry where the Special Effects and/or Creature Effects play a significant role must include the relevant department heads. Special Effects Supervisors do not count towards the maximum number of overall Visual Effects Supervisors.
- Entries should include representatives of the hands-on artists, special effects technicians, and support staff that executed the work in addition to the supervisors who managed them. No network or channel promotions/package may be included in the entry.
- **Entries must be composed of the key and principal contributors to the program and the relevant entrants' job titles should be reflected proportionally to their significant contribution(s).**
- Entries, which do not include the **principal contributors** or hands-on artists, may be asked to justify this exclusion in writing.
- Entrants must be in job categories which are eligible for membership in the Special Visual Effects peer group.

The Primetime Awards Committee, in consultation with the Special Visual Effects Peer Group Executive Committee (PGEC), reserves the right to confirm **or deny** the eligibility of the entrants based on their contributions.

**VIDEO SUBMISSION MATERIALS:**

One HDCAM tape with:

- Bars and Tones
- 1920 x 1080 program material, for broadcast on HDCAM format videotape
- Aspect ratio as aired: 16 x 9 or 4 x 3 (pillar box)
- 23.97 frames per second

One NTSC DVD copy of the above HDCAM tape. Content must exactly match the HD tape submission.

Entries shall be no more than 7 minutes in duration. Submissions incorporating effects from more than one episode are not allowed. Entries may be edited to highlight the key visual effects of the program within their dramatic context. Each entry must be "as aired" with sync audio and surrounding shots in their correct order. Clip reels with soundtrack embellishments or individual effects shots edited out of context are not allowed.

For series, two-hour pilots or special extended length episodes may be submitted as a single episode, provided that they originally aired in one continuous time block with a single main title card and a single end credit roll. A two-parter, each part with its own main title and end credits, cannot be entered as a single, extended-length episode; rather, each part is considered a stand-alone episode.

Each submission may include up to 3 minutes of "before & after" material, demonstrating visually how the work was achieved. The complete "before & after" section must follow the complete "as aired" section after 2 seconds of black, and must be included within the 7 minute total submission length. This "before & after" section may not include any on-camera interviews or "talking heads," but may be accompanied by music and/or voice-over narration. The "before & after" section may demonstrate only the shots which were shown in the submission's "as aired" section.

You may include a slate with the name of the entry at the head of the submission. No other slate, title card, or superimposed text shall be included within the body of the submission that wasn't as originally aired, but may be included in the "before & after" section only to better illustrate the creative process. The entry may not include the names of any entrants, Special Visual Effects facilities, or company logos. This includes the slate at the beginning and within the before & after material.

Do not combine multiple entries into a single DVD or HDCAM. Each entry must be presented on its own separate DVD and HDCAM tape.

**WRITTEN SUBMISSION MATERIALS:**

Each entry may also include a brief written description of the program's visual effects that corresponds to the DVD and HDCAM. This is especially important for entries, which do not include before & after material in their video presentation. This document may contain visual representations of how the effects were accomplished, and it may include storyboards, diagrams and still photographs that pertain specifically to the shots being described. Entrants should remember that judges will be given no more than a few minutes to review this material before screening your entry. It is recommended that entrants use large text, emphasizing pictures instead of words, and focus on the key achievements in a concise and informative manner.

The written material must be submitted on paper, and as a printable Adobe Acrobat PDF digital file on a CD-ROM disc. The printed material will be made available to the nomination panels, and the PDF file will be available online for our members to download and read prior to final at-home voting.

## APPENDIX I

### PROGRAM AWARD PRODUCER ELIGIBILITY GUIDELINES

(Excludes Documentary or Nonfiction Programming)

A priority of the Television Academy is preserving the value of the Emmy Award and insuring that those who are most deserving and actively involved are the ones honored with nomination.

Toward that end, the Television Academy has implemented a process by which eligibility is established, and determines and verifies the factors of credit and function. The Television Academy's goal is to be as inclusive as possible, while maintaining the diligence that is necessary to preserve the integrity of the Emmy Award.

#### ELIGIBILITY

Producer eligibility is determined by a combination of credit and function. To be eligible for nomination, each producer must submit a completed application. The process verifies that all nominees meet the following criteria:

- 1. Credit** – The individual must receive an on-screen credit of: Executive Producer, Co-Executive Producer, Supervising Producer, Producer or Produced By and, in the case of a series, receive that credit on at least 50% of the episodes aired in the current eligibility year.
- 2. Function** – To be eligible, a producer must have substantial or final control over creative and financial aspects of the production such as: creating, selling, casting, staffing, pre-production, production and post-production. On a series, the individual must perform these producing functions on at least 50% of the episodes aired in the current eligibility year.
- 3. Consulting Producers** – In exceptional cases, producers credited with a "Consulting Producer" title on a majority of the episodes of a Comedy or Drama Series/Special originally produced during the eligibility period may be deemed eligible for awards consideration if they function at a senior level of producers on a full-time basis but, due to internal production practices, received a credit of "Consulting Producer."

In order to ensure a comprehensive and objective review of the "Consulting Producer" credit exception request, The Television Academy will seek eligibility recommendations from the Producers Guild of America (PGA). The Guild requires that all producers credited with eligible titles submit an "Eligibility Form," which confirms their voluntary participation in the determination process. Because the Emmy is granted only by the Television Academy, final eligibility determinations remain at the sole discretion of the Television Academy.

The following individuals are not eligible regardless of screen credit:

- Corporate Executives (i.e. studio executives, network executives, etc.)
- Professional Representatives (unless they qualify under Function #2 above)
- Concert promoters
- Producers from a medium other than television who have packaged and handed off key components of their production

In Comedy and Drama series, full time Executive Producers who have final creative authority over the writing process on at least 50% of the eligible episodes and Writer-Producers who perform verifiable producing services, as stated above, on multiple episodes, may be eligible. A producer, who also has received a "Created By" credit, but no longer works full time on the series, will be eligible as long as that producer meets the eligibility criteria on at least 50% of the eligible episodes in the first season of the series.

If, at the end of the vetting process, eligibility is a "close call," the committee will err on the side of inclusion.

**4. Producing Team Size Caps** – The maximum size of the eligible show producing team is based on the average team size of eligible producers in the category over a prior five-year period. Vetted producers are then sequenced by function. Any exception to these limits would be based on the determination that all the members of the proposed team meet the highest level of the function criteria.

**APPEALS PROCESS**

Any producer who does not qualify can appeal. It will be the responsibility of the producer to provide verifiable documentation demonstrating that they meet the eligibility criteria.
